

At a meeting of the Executive Committee of State University held at the President's office on October 10, 1913, there were present C. B. Nichols, T. L. Edelen, C. B. Terrell and Hywel Davies.

Dr. Kastle, Dean of the Agricultural College, came before the Committee and stated that it was necessary to increase the salary of Professor Ralph Kenney in order to hold him, as he had been offered quite an advance by the Michigan Agricultural College and as he is a very efficient man and all most indispensable, doing his work well, upon Dean Kastle's recommendation his salary was increased to \$1300. The University paying only a part of the salary as it now stands the University share of the increase will be \$108.33 per year.

Upon the recommendation of Prof. Anderson the salary of J. S. Horine and salary of A. L. Wilhoit were increased \$100.00 additional for this year and they are placed in the position of Assistant Professors.

Upon motion made, seconded and unanimously carried the President of the University, Business Agent and Auditor are made a committee to formulate and classify a list of all the Professors of the University, and recommend some plan by the next meeting for the reclassification of such classes.

Professor Anderson then presented a recommendation for the fixing of the titles of the instructor's positions of various persons connected with the College of Mechanical and Electrical Engineering and recommended that it be passed upon. Upon motion made, seconded and unanimously carried it was adopted and positions of the named persons as recommended are as follows:

F. Paul Anderson, Dean and Director, and Professor of Mechanical Engineering.  
L. K. Frankel, Professor of Machine Design  
W. E. Freeman, Professor of Electrical Engineering  
L. E. Nollau, Professor of Drawing  
Joseph Dicker, Superintendent of Shops  
J. J. Curtis, Assistant Professor of Testing of Materials  
John Dicker, Instructor in Wood Shop  
Misses Lowry, Instructor in Freehand Drawing  
Perry Cassidy, Assistant Professor of Steam Engineering  
J. R. Duncan, Instructor in Electrical Engineering  
Gordon Thurman, Assistant in Experimental Laboratory

Professor <sup>R.</sup> Howe presented a petition requesting that an appropriation of \$1000.00 be made for the purpose of building a Road Laboratory. This matter was referred to the next meeting of this committee.

Upon motion the meeting was then adjourned.
