OFFICE OF THE PRESIDENT.

Lexington, Ky., Feb. 11th 1893.

Mr W. R. Allen,
 My Dear Sir,

I will instruct Mr Morse to send the names of witnesses by wire if he has not done so already. I think the high character and ability of our members of the Pacific District Board, is a guarantee that they will arrive at the truth.

The conference committees of the National and American Trotting Associations, will meet at the Fifth Avenue Hotel N.Y. 8 o'clock P.M. March 13th next. I have suggested an invitation to you to be present with two of your associates of the Register Association, with a view to harmonizing the rules regulating trotting horse interests. Mr McFall chairman of the A.T.A. committee has signed it, and I have sent it to Gov. Bulkeley chairman of the com. of the N.T.A. (his associates are Maj. Fogg and myself) I have no doubt he will sign and forward it to you. I had some talk with Mr Brodhead and Maj. McDowel on the subject, and they agreed with me as to the wisdom of the course. The invitation is worded especially to secure your services as one of the committee. Maj. McDowel is willing to serve with you, if you name him as one of the three. I cordially support your administration of the affairs of the Register Association, and want the three associations to cooperate.

Very Truly Yours,

P. P. Johnston

185 East St Pittsburg Mass Feb 16. 1893

Mr F. E. Perkins D-Sir. Please say after reading Maj's Johnston's letter above, whether you can spare the time to be present at the meeting mentioned, as one of the representatives of the Am Tr Reg' Assn.

I hope you will say yes -

*Truly
 Wm Russell Allen*
