

Second National Bank,

Louisville Lith. Co. 2-15-88.

Louisville, Ky. Feb 24 1886

Dear Major

I am much obliged for your prompt response to my inquiry,

Please say to Tom that of course I will do nothing in the matter until he has entirely completed his negotiations, and to take as much time as he thinks the case requires

My ideas in this connection are very indefinite, but if I was prepared to act, which I am not, I would not interfere in the slightest with his plans

Sincerely yours
Geo. S. Allison
