Dear Mr W Dowell

Jan 13th 1854

We have four of those
2nd Mortgage bonds" in the hands of Mr Cantner
for sale, if you could help in any way
to dispose of them, you would confer a great
favor upon us by doing so, we would like to
get as near even on them as possible.

We had a great loss in Linnæus this winter
Horses all sick & low, but some little inquiring
for fillies, Hope you are all well, & that
a prosperous "New Year" will be yours

Yours truly
A J & W H Lewis
