

My Dear Son

Frankford 3^d July 1843.

Having come down here on business, I thought I would write to you to say, that John left Hilland yesterday morning, with your horse, for Louisville, where he ought to get this afternoon.

I return home tomorrow morning.

This place is on the quiet side on account of the military encampment in the neighborhood.

Yours' affecy

H. Clay

Mr. H. Clay Jr.
