

Magaguac A.M.

13 December 1935

Dear Cousin Nette - Maggie told me about your wonderful thought for me in case anything happened to her, and after all your other generosity it leaves me without a word to express my appreciation. I wish there were some way I could show it. Maggie is sometimes so full of energy + life that she does more than a well person should do and there are times when she realizes she must go slowly. She has a number of good friends around here but
