

My dear Garrison

An opportunity occurring to
place you at Westport, I wanted to
see you on that subject, and expected
to have seen you yesterday, as I under-
stood you to say that it was a holiday.

If you can come up today or
tomorrow for an hour or two, I should
be glad to see you.

If we determine that you should
go there, it would not be before June
or July, and in the mean time I wish
you to continue your studies at
Geo. town.

Yours' affectly

H. Clay
