

I recommend you dear James to consult with
Wm Prather and Dr May concerning this business
The Dr owes me 15 or 16 hundred dollars and I
am his endorser on a note for \$3750 with four
years interest on which debt has been brought.
Curran Pope will show you the deed of the property
above mentioned and Wm Prather will give you a
description and tell you its value. If in hand it
would be worth about \$10,000. You will find
in the deed of transfer to me the sum advanced by
me and in addition the Dr owes me on open act
about 100 or upwards which he will remember. He
has paid me on the \$1500 above mentioned the sum
