Major H. C. McDowell.

My dear Major -

told Dr. Grant what you had done for us and wish to thank you both in his name and mine - In addition to this, you have earned the gratitude of those of the medical profession - who are engaged in the arduous task of teaching its fundamental branch. Thanking you <sup>in our behalf</sup> again for your efforts, when you had so much to worry you of a personal nature  
Love

Yours gratefully
