Dear Henry.

On Sunday before last (Mch 2nd) our little Church burned down. It caught from the flue and must have been burning from the time Sunday School ^{was} out, but ^{was} only discovered while we were singing the "Te Deum".

Although our congregation is small, it is growing and we want to build our new church larger and of brick. Now as you know I am not able to give money, but I can give those who are able, a chance to help us. If you can, won't you assist us in our effort. It is not necessary for me to preach to you. Do what you can and do it as soon as you can.

Your Devoted Brother
