My Dear Old Pard

Vertical scribble

I have today closed out our ribs at 45^{cs} which will place in the treasury about \$2000⁰⁰/₁₀₀. Want to go to Florida in course of week or ten days. Cant you go? Alect is in Arkansas, and I am quite sure will not go. Philie Dade is a servant of the people now, and he is being worked for all he is worth - so I cant go.

as for myself I propose like yourself to be a gentleman of elegant leisure.

Hope to see you soon. With kindest regards to yourself & family I am

Very Truly your friend
W. C. Hall.
