Dear Major

I have arranged to
take the Delaware Hudson
Carriage Co's private Car on our
trip this year. It is larger &
more comfortable than the
Romano. At St Paul we
will attach a baggage car
for dogs, guns, trunks, &c.
Best Vice of the Mountain
Road told me this
morning that white
breasted grouse are
supposed to be more
abundant this year than
last. He also says, Rip can
take us to your Elk,
Moore & Deer shooting
