Dear Major

Of course you have
Mountains of food & rivers
of drink at the Bristow
festivities. I trust you
come through without
dyspeptic, or rheumatic or
other ill consequences.

The happy couple sailed
from here last Wednesday.
Mr Bristow & I were in
Mass for a few days &
didn't see them, but I
hear they seemed
supremely happy and
went away in high
spirits. I hope their
happiness will continue.
