Dear Major

I found you a
letter from Strodes & am
going to ask a favor of
you. Please look at
the horse & write me
what you think of
him. You will observe
that Strodes does not
mention price. Perhaps
he thinks I am on
Astor or Vanderbilt
& won't care about
price, but in this he
is mistaken.

If the horse is
all that he says, &
won't the Ky goiter,
that is doubt - single foot
