

She said she would settle
if Dr B would pay
\$600 per annum for the
support & education of her
boy. The Dr says he
told her that she was
~~not~~ demanding
entirely too much & she
finally agreed that she
would accept \$5,000
in full - provided the
money was paid to her
not to her lawyer - which
of course cannot be done.
Does Dr H that her
demand was out of the
question - that she could

Dear Major

Dr. Hagan called on
me twice yesterday but I was
out. This morning I went
to his house to see him.

I have just come from
him. He has seen Mrs
Lynch several times & says
she always comes to him
full of fight & talks
with apparent confidence
in her case. She tells
him that she ^{will} testify
positively that she & Dr B
agreed to be harbored &
