Dear Miss

Last week I recd your letter of
the 29th concerning Mr Lyden's letter to
Dr B this morning I recd yours of
the 1st inst.

I would have been
very probably do just as well as usual.
I hope you will come when you can
conveniently or I want to talk
over the matter with you more in
detail than I am able to.

The woman's letter to Dr B is very
useful in the line of her reported
talk with Dr Hagan. She is a
very interesting case to Dr B.

Come when you can, let
me know beforehand so that I
