Dear Major

Just right I must a friend  
who knows a good deal about  
the Phila gas matter.

He thinks the patent  
has some merit and some desert.  
He has tried it in his home but is  
not inclined to put it on all  
ranges. though he thinks if he  
lives where the gas was inferior  
he might do so.

But he says the  
Company (or rather the various Companies  
that control the patents) is tremendously
