

Mem. for St Albin —

dark bay with very long thick mane. about 15½ hands high. a few small specks of white on the shoulder probably caused by a collar. 8 years old. He is an entire horse but does not show it except when he is near mares. —

Enquire particularly about clothing and take note of the Q. Maske has in store particularly shoes, pants and coats. Ascertain what sort of person or requisition will draw them.

If there are letters or papers in the post for
