Dear Sir:-

The South Appalachian Land Company's note for \$9500.00 matured at the Citizens National Bank to-day. I have made arrangements to renew it for Nine thousand (\$9,000.00) Dollars, at ninety days and enclose you herewith the renewal note, which you will please sign as President of the Company and also individually and return to me at once.

I find, on referring to the resolution of November 16" 1892 by our Board directing the sale of the certificate of R. C. Ballard Thruston, Trustee for dividends #3 and 4 that it authorizes "the President of the Company to make the sale". I have had a conference with Mr. Boyle about the matter and he is ready to close the matter up. Please write me a formal letter directing me to make the sale of the certificates in accordance with the terms of the resolution, and oblige,

Yours Truly,

(Dictated)
