Dear Sir:

Blair Ballard reports the title to the 2<sup>nd</sup> St dwelling good; Browning's lawyer also reports the title to the 1<sup>st</sup> St lot good, so there is nothing to be done except to execute the deeds (which are already prepared) and close the transaction as soon as Browning is ready to give possession.

Browning says he will give possession early next week.

Please send me your check for \$6,750<sup>00</sup> and I will close the matter in accordance with the terms of the contract.

Yours truly  
John W. Buchanan
