Sir we have a customer who is
looking for an investment. we
called his attention to your property
on H^o Green. { 66 x 168
40 x 164

we could not name any figure
or say whether it was for sale
but said we would communicate
with you & report to him. we hardly
think there is much chance of
doing any thing. but we would
love you with a letter in a Western

If you wish to sell, & will put
a price on it ^{to be open} for a week, & give
me the rent of the property either
in detail or in the aggregate. I will
submit it. If by chance we can make
the sale, we would charge you the
usual fee

Yours truly
