Dear Sirs

Your postal
rec'd, & I shall be pleased
to have your new cata-
logue. Is Dictator's book
full for next season?

I have at
Woodburn an "Electioneer"
Mare (in foal with first
colt to "Lord Russell"), and
am looking for the most
suitable horse to breed
her to next season. She
is three years old, about 16
hands & rather "leggy".
Her dam is by Homer, out of
Maggie Lee by Blackwood and
daughter of Alexander's Abdallah.
I think Dictator's conformation
would suit her, perhaps. Is
Phallas shaped like Dictator?

B. B. Graham
Yours respy
