tion given to stock.

Spears, Ky., March 2nd 1891

Wm. H. C. Mc Dowell
Ashland

My Dear Sir yours to
hand and contents noted
regarding Gradalgin
I would like to make the
short season with him
but if I understand
you letter to stand him
for \$50 = the season. I
think I could not
do any good standing
him by the season
but could stand him
at \$50 = on the insurance
plan say I insure mares
In foul land whom the
fact was plainly known
