Dear Sir:-

The writer has been referred to you by Messrs. W. R. Brasfield & Co. as one who could probably put us in position to get the names of exporters of horses.

We are operating the Atlantic Transport Line from Baltimore to London and have unexcelled facilities for the handling of horses and other live stock and as we understand there has been a great many sold to go abroad, we would be much obliged to you if you will refer us to the parties who will make the freight contracts as we understand you are in position to give us this information.

Thanking you in advance for your trouble, we are,

Yours truly,

William G. Sickel
