Dear sir

Ky

Received your letter a few days ago. "Carlisle" I don't think has a record. The one I bred I wrote the Sec. of the Terre Haute assn, and he said it was the Redmont Station that wrote the record. I have written to the owner of "Carlisle" but can't hear from him. He is owned by Geo Whiteley Seaforth Ontario. Can. Wishing you all the success that King Ben should have

Am your Friend
