My Dear Sir.

I have a black mare 22 or 23 yrs old called Rosewood by Blackwood I bought of Mr. Lee and he of Chas. Durand of Jackson. Mich. He claimed she was raised in Ky. do you know whether she is a mare that you ever owned. I see from your catalogue you had a mare by the same name. If this is the mare I wish you would state if she is recorded or not. This mare has been owned at least 10 yrs in Mich. Please answer and you will greatly oblige me. Yours Truly
