Dear Sir - Your esteemed favor recd
The Stallion I own was recently bought
at Berres Chicago Sale. he was sold there
by Mr Bishop of Jerome Ohio. who said he paid
you \$1,000 for him at 2 yrs. he is 15 1/2 hands
bay 2 white pasterns behind weights about
11 lbs. foaled May 20 1886. Sired by King ^{Queen}
1st Dam ^{Lady Spruce} by Dr Keen son of Mambrino
Champion 5135. 2nd Dam by Duvals
Mambrino. This is all I know about the
horse. As I want to get him reg
if eligible I send you blanks on which
give me all information you can.
I see by breeding that he may not be
eligible. but perhaps something may
have turned up in 1892 making him
so. but it may be possible to register
him as nonstandard. If you can place
this fellow please advise me if this breeding
is correct.
