Gentlemen:

I see by Wallace
Trotting Register, you bred the Stallion Rohmer 7270
by King Rue Dam Magenta by Woodford Manbrino.
Will you kindly give me a full description
of him, as to size, style, carriage, soundness & speed
also as to whether he is a sure foal getter, or not.
Also give name of present owner.

I have seen King Rue and his colts show
at different times and I always admired he and his
colts. If Rohmer is as good individually as his breeding
he should make a good stock horse.

Thanking you for any information you may give
I am yours truly
Leslie Cross
