Mrs. H. C. McDowell & Son
Ashland Ky
Gentlemen;

I notice by late papers
that Impetuous by dictator
Wm. Ethelwyn by Harold has
shown himself to be one of the
phenomina for the season. I
am very much interested in his
success as I own his full sister
Graciele foaled in 1888 and two
of her produce one a two year old
filly by ~~Woodford~~ Lord Russell and
a yearling filly by Woodford Wick
The two year old shows considerable
speed and I think will be a racer.

The yearling is very large and
handsome and is the finest in this
part of the country. I would be
greatly obliged if you will send
me your latest catalogue.

Yours truly
J. P. Gribben
