Dear Sirs

Your kind letter
inclosing check for \$20⁰⁰ is received.
I thought it was nothing but right
to treat the account as if I had ex-
cused my note on Jan 1st 1893 -
and would have been pleased had you
so regarded it - Since you decline
to hear it that way however I am
willing to submit with thanks for
your courtesy - I have two fine colts
by you hand and if prices were as they
have been, would consider my self
quite lucky - The one out of New Pats
once I consider promising -
With kindest regards and high appreciation
of your kindness -

Yours truly
Junius W. Johnson
