Gentlemen,

I enclose you pedi-
gree of my horse "Lord Alice" and
would like to lease him to you for
one or two years. Would like to have
him bred to 20 or 25 mares next year
and then handled for a season.

I saw him trot a full mile over the
half mile track at Gallatin Run.
in April of last year in 2.24 flat.

Mr J. M. Murphree of that place tells
me he would make a fast race
horse if properly handled. If you
can use him in any way please state
terms &c.

Very Respect
J. B. Long.
