Dear Sir:--

Per request of our young Mr. Henry Heile, who attends to track business, we take pleasure in quoting you price on car nice 2 White Oats delivered Lexington, price 28¢ per bu. Understand, Mr. McDowell, these are nice Oats, and very few of your dealers in your city handle this quality, as we sell several of them and therefore are posted. Now, we can put these Oats in sacks, which would make it more convenient for you, and of course you would have to return the bags to us promptly in good condition. Hoping to receive your order, we are,

Respectfully yours,
