Dear Sir:

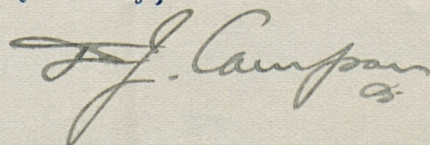

Yours of the 11th is at hand.

I am very desirous of having you place an advertisement with us and also appreciate the fact that very little advertising is necessary for you. One hundred dollars, however, is such a large cut in our rate that I hardly feel that it would be quite right to others who have advertisements in our paper and who are paying the full price to make the reduction. If you will say \$125.00, we will accept it at that and will take good care of you during the year.

Trusting this will be satisfactory and that we will receive your acceptance by return mail, I remain

Yours very truly,

B
