My Dear Darling Sweetheart:—

Do you realize that it has been four long days since you have written your little boy. Now Sweet One you must not treat Denny this way for ^{he} thinks too much of his darling little girl.

You are the dearest sweetest little Queen that ever lived Aline, Would you believe it when I was coming home from Riverview this evening I got to wondering why it was Sallie hadn't written me and honestly

2/ went sixteen blocks beyond
Monroe St. thats no joke
darling it actually happened.

Angel this Riverview I was
speaking of is Chicago's
largest amusement park
and take it from me
Coney Island has got to go
some to beat it. Darling it
is the most beautiful place
I ever had the pleasure ~~of~~
of seeing Oh how I wished
for my girlie when I was
there. I wont try to tell
you about it for all the
writing in the world couldnt

³/
tell how beautifull it realy
is.

My Queen if Gates doesnt
get some mail by tomorrow
at six oclock Im certainly
going to put in a call for
you for Im so afraid
something will or has happened
to my darling.

Please Sweetheart write
me often and tell me
about Oct. It makes me
happy to have you write
about such things.

I got a letter from

4/

my dear old pal Cecil today
and he said he and Georgie
were certainly coming up
after Oct. he also said "Yates
if you dont be true to

Miss Fletcher and I find
it out I will certainly
hit you, for that girl
sure does love you boy."

That made me feel so
good but he need not
have any fear of me not
being true to Alice for I
certainly will - Yes I will
darling Now are you going

5/ to act likewise and stick
to that Oct. promise.

You are such a sweet
girl I cant help but tell
you every minute.

Be a good girl. Write
Denny Boy often, and love
me like I like to be loved

I am allways yours.

Dear Dad,

Well Dad received your letter this morning and was mighty glad to hear from you. Please excuse the pencil scratching

I had to come home Monday morn.

Did there never

Kid does me (she says
the same)

Bob the fellow
you met Sat. night
says he was there
once and knows
how you feel.

Kid all the
fellows in Calvert
treated me just
fine even introduced
them selves to
me, I swear I never
had such a good

time in my life.
Remember the
Kid says we will
drop to see you
in or around a
year's time.

Mrs. Danfield
says to be sure
and call on the
people I told you about
in Riverside Ill.

Just got home
yesterday morning

all the time I was
there

Will Pal believe

My Darling Sweetheart:-

Just received your wire stating that you arrived OK and I was certainly glad to hear that. I have been awfully worried about my girlie as I havent heard from you since Saturday and was afraid you hadnt arrived safely. Am more than glad that you said write me c/o general delivery as I have been writing you all along and awaiting an address what I am doing right now is

2/ my greatest pleasure.

Darling one I love you just about twenty times more than I did in Dallas and further more its increasing every minute. This is such a grand place for a couple of our style to live in.

Talk about your swell chickens in Paris, there's quite a few of them here also. Yes dearie you can sure cut that skirt off if you come here for its all the style. Darling I'm beginning to get that way myself, my suit I had

awaiting me here is just what they are wearing and right up to the minute too. Am brushing my hair back now and I must admit its real becoming, so much longer than it was in Dallas.

There are two other boys rooming at this place and believe me we sure do cut up, the old man (Mr. Vandoren) is right in for all the fun too.

goodness what a jolly bunch of people, I sure wish for you. Angel Ive forgotten

4/
that temper entirely, I really
believe you could love me if
you were here now.

No darling I haven't
forgotten to say my prayers
and the Oct. affair is always
remember in them. Oh how
I do wish that you were
my wife at this very moment
goodness what joy and happiness
it would be for me. I can't
tire of saying "you are the
sweetest girl alive yes you
are the dearest girl in all
this world.

5

Darling girl wout you
write you own boy after
I do love to read the letters
you write.

Only fifty eight more days

My Own Darling Sweetheart:-

Today makes five days since I've heard from my girlie, what on earth has happened to you darling, have you forgotten your boy. I have an offer up of twenty five cents to the first one bringing me a letter from Atlanta and you should see the girls run to the post-man at every delivery, they thought that had won the offer this morning when they come running to me with a letter but alas it was from Cecil and not from Atlanta.

Cecil writes me such sweet letters, he always wants

2

to say something encouraging
But darling listen
to this, Eggs are really
manufactured right here
in Chicago without the aid
of a hen or rooster Now can
you beat that, Its true.

The girls want to
take me over to the ice
skating rink tomorrow
but Im afraid theyll try
to get me to put on the
skates, roller skates are
alright but no ice for
mine. The ice you get
here is not artificial, Its
real ice shipped from the
rivers farther north.

Oh sweetheart I wish
you could see the interesting
things there are here, I
went to a vaudeville and

3

the best act on the bill
was a colored (nigro) act
Yes darling the black
Trascals have the same
privilege as a white man
there will certainly be some
trouble if one sits down
by me on the car or any-
where else, Im from Texas
and I dont propose to put
myself on the level with
any nigro.

Cecil says he and his
wife are coming up to see
us so please come to me
on first of October and lets
get married for their sake
anyway ha! ha!

Alecie you are the
ideal of my dreams and
I love you I love you, goodness
how I love you. Oh what
I'd do for a girl like you

4

just love me like I like
to be loved and I'll
change your thorns to
roses in the good old
summer time any little
girl that the nice little
girl isnt the right little
girl for me for I love you
only and all that I ask
is love Wont you spend
your vacation with me, lets
go where we can have some
fun in dear old Chicago
town Gee but theres class
to a girl like you in a
cottage just built for two.

Say darling I'm
keeping all of your letter
but I wont ask you to
keep mine for they are all
so bum, please excuse the
scribbling in this letter
possibly I can do better

5

after yours begin to arrive
I sure wish tomorrow
was Oct. 1st. and you were
by my side. wouldnt that
be simply grand.

Sweetheart write you
boy often and remember
Im always thinking of
my little girl so far away

" Wednesday Morning

Good morning! To you Denny

How do you feel this wet

raining day? Foxy as an
~~stuck~~ horse? Well I hope

this letter won't make you
feel bad for ding you - to
scold a good big bit this
time for you have acted

read naughtily by sending
that telegram yesterday.

Well I can't get over it - I
wonder why you did it when you
knew it would excite your

brothers curiosity? As I thought
it to me scared out of his ^{mind} ~~mind~~

As thought right off it was ^{from} ~~from~~ into
or mother. He said he

almost opened it.

I had to let him read it and
he knows there's some fake
connected with it - I wish
you had not done it but you
did and it can't be helped -
I swear heart you swear better
than to be sure a thing as that
you didn't you? But I'll
over look it if you will
promise me you will be
more careful in the here
after - Did you send the
second telegram to Dallas
let me know and which
way - western union or
Postal - I got the awful
one where you said if
I didn't come you would
leave that night in
answer to my first
telegram - if well, did

3
you send another after that?
tell me. If you did bring
and the millions got 'I for
I was gone. I had to tell them
the first one I got was from
~~mother~~ and when I left I
was so afraid you would
send another and they
would read. Tell me what
was in the other one if you
sent another to Dallas. I
will go up town today
and get me a private
post office box but just
write me you. Delaney
at Astor will see some
letters if they come here.
Darlene I love you
just the same and
Mary too and our wild
evening and everything

else for our appointed time
to come when I will be
the happiest human alive -
why Oh why can't I be
London? I know the next
eight weeks are going to
be the largest I ever spent
Poor little me, how blue I am
this morning - Brother going
to work and me all alone
in a strange house - I
wish I were up there with
you dear then I wouldn't
be lonesome and blue but
very very happy - Sweetheart
darling, I feel I have
been away from you
one year already - Oh
how how am I to wait
much longer - And how
I do worry about you

I do hope my ^b boy is feeling
well and has had a
position by now. Don't give
up keep on trying until you
do find words - you will
get along alright you are
too smart - too fine a boy
not to find good words
and find 'em soon.

Dearest, I love you love
you love you and never
can I love another - I don't
want to be with any one but
you - I love Mother and
he is so good to me but
I want to be up there with
my sweetheart - I'm almost
tempted to run off up
there get her - no I better
not - I told him I am
alright was related to

Mrs. Allright and ^{some} was on the
stage & told me when
I got here if everything
wasn't O.K. with staying
or have to come on
up here with her &
study for stage - Guess
in (D) I'll call you - Hope
has forgotten about
the telegrams by now
Atlanta has grown so much
in a year's time - They
now have the what they
call "the great white way"
all the way down "Seethee"
and "white Bull" ^{streets} and
all down Overlitter street to
the Terminal Depot - they
have this "white way"
In the winter when the

lights were turned on for
the first time the streets
were so crowded you
couldn't step back
said - 'It's beautiful I
tell you - Atlanta
surely is the New York
of the South - Good-bye
for little Dallis and the
very minute my case
is over too - I don't care
for any thing or anybody
any more 'cept Yates -
you write Cecil I had
to come that mother
telegraphed for me to come
at once - Be sure
and write him -
Please you write
your little baby girl

every day or I will
die & I must tell
you I'm feeling awful
badly - my trip surely
did do me up - the
excitement brought my
monthly on ten days ahead
of time, and of course
you can imagine how nervous
I am with that the
matter and my long
trip - I have not gotten
my trunk so am still
using pencil and
"1-c Tablet". You will
excuse it won't you
dear? For you know
I love you so dearly
don't you?

write to me every day
and tell me the news
with all my love and
a big kiss for the
grandest, sweetest, dearest
man in all the world -

Always -

Your own little
girl -

Alleen -

who worships
you - &

will until

another telegram

I'm expecting

My own dear darling boy: How
blue, how lonesome, "your
baby girl" is only God knows
I am nearly crazy from
crying. Really I believe
I'll die if I don't quit soon
for I can't stand this feeling
just want to see Gates
that's what's the matter and
nothing else. Will October
never come? Yes it will.
I must be more patient
and look on the bright side
I've had to fight for "Denny
and Sallie" both for the

2 -

past week and it has been
mighty hard on your little
girl - Don't do me this way
any more please for the
strain is too much - I
was so afraid you would
return to Dallas "then, I
would break my promise
and I was afraid you would
wire all sorts of things by
or by it all, afraid you
would drop down here
which would really
kill every thing - Thank
god I have kept you
from all this - and
Oh, I never can thank

3.

our Heavenly Father enough
for helping me though he
did it not - I - God bless
you I did keep you
from doing all these
things didn't I darling?
And I now love you
more than ever - you
are the sweetest dearest
boy in all the wide wide
world - goodness, how I
do worship you. I will
be the happiest human
being (along side Yale) in
October ^{for he'll be happy}
that - ever existed
in this old world or
ever shall exist -

4.

Darling, you are mine
mine body and soul
every inch of you. And
I'm going to make you the
happiest man of all the
world in October - yes!

I think I saw a brave
little girl to fight out
what I'm fighting - wanting
to come up here but
knowing it best I should
not remain here with
Mother until "October"
and maybe just Sept.
Pray that I will be
September.

b-

I picture us all the time
up there together - no body
to worry us nothing to
harm us and "how

"gloriously" happy we
will be". I feel you
are being true to me
and not letting the
boys rooming there
tempt you. I believe
in you trust you have
all 'confidence' in
you and hope to always
have - you will never
cause me not to have
will you dear?

6.

think of you poor little
blue lonesome gilie back
damn long when you
are tempted - wont you? I
will pay you back for
better than you will
lose - can I? I wish
I were right in your
arms this minute and
was looking up into
those beautiful eyes (my eyes
are they not yes every inch
of you is mine mine)
and was saying
"I love you" "Denny"
I love you!

7.
Do you wish I know? yes
you do don't you here?
Let me know if you
have written your mother
you have gone to California
and if you will not write
again - Let Cecil keep
you wise as to health of
home ones - Tell him
to make them think
you are in California
or he may forget and tell
I don't believe Telfair
is coming up there, do
you here? all a
delirium don't you think?

8-

I sent Cecil a card and
put inside of envelope
sent to Clarence St. Today
Here's what I wrote -

"So sorry I didn't get to say
goodbye to Yates pal - and
here with my brother
until October Yates
will tell you more about
my coming here ^{but} keep
myself - will see you
when I come back
last of Sept. or 1st of Oct.
write "my boy" then
also be good to Georgie
Hope you enjoyed your
trip & found things O.K.
I am dead to see Yates

9.
Best wishes - from
"Yale's little girl"
Remember his people
think him in Los
Angeles Cal.

Is that alright Denny?
Tell me if I wrote too
much & if well, I received
the letter written when
you were just about
possibile you would
return to Dallas also
we Mrs. Van Loon
wold Mrs. Jenkins
which I more than
appreciated - we will

10-

board right there with them
when I come - they are
so good to you - Now
brace up and be a
real live man and
don't cry any more but
just think of Doc and
smile smile smile
How I would love to
see my dearest smile
right now - Remember
little Allen is suffering
just as much if not
more at this end -
and then you won't cry.

11.

one of us will have to
hold up - I'm about to
give up so wait you
now try to encourage
me along - I've held
up as long as I can -
write me cheerful
encouraging letters
please - I believe
I love you the most.
How don't you think
I do? Let's don't fight
I'll give under -

Hah, ha! we are

12

going to laugh all the time
from now on aint we
sweet-heart? "you know
you have me and that
no body else under
the shining sun can
ever get me, yes has
me "I'm his" and
for "keeps". Yes!
Can you hear me
saying yes! Let
them think right on
you are married for
I'll soon be there -
IX woul- be long now

.13-

will it be precious? Be sure
and continue to say
you are married. Keep
your letters and all
stationery locked in
your trunk or they'll
catch up with you -
we won't tell them better
until we are married
which we do not in
Mrs ms van Loon's
parlor @? won't that
be cute? Don't say
tell them until I
get there - won't it
be fun though - So

14

very romantic - Ch?
I knew you would
love Chicago and you
are going to like it
still better when your
baby girl sets up there
with you - aint you?
You told me in your last

is just beginning now -
we think we have been

happy but - wait just

has not begun - How
glorious it will be
to know we are

b.

long as we live to know
not just realize that
we belong to one another.

my own darling boy.

I love you more every
second it seems.

Answer all my letters
from Atlanta and are
either or train coming

Dear Dad,
Well f.y.

sure wish you were up
there with you for
I am awful blue my-
self Yates, havent heard
from my little Gylie
for three days now and
dont know what to
think about it.

Have you
heard from Alene
yet? I wrote her just
as soon as I read your

letter and asked her
why she had not
written but the mail
must have gotten side-
tracked for I'd she
loves you too much to
do that way.

Wait was just
handed a letter from
George will have to
read it.

Well what the
hell do you know about
that, wrote me a letter
yesterday (thru) and must

have been ashamed of
myself for she dated
it inside the third which
was days before yesterday
and did not have sense
enough to know that
the post master would
date it the fourth (yesterday)
and of course that is
enough to show that she
dated it a day ahead.

Now I am ashamed
of her as much as I should
be and am to her.

Yours we will

Play ball this evening
the first time for me
in a month

Well kid hope
the next time I write
I will be in a better
state of mind.

Be good and
write all

Your friend
J. J.

Went by to see your Mother
last night, she heard you were
going to NY. She wants to
hear from you awful bad.
