JACK JEAN LEADS KITTENS IN WIN OVER MARSHALL

Flashing Owensboro Fullback Helps Frosh to Overcome Early Lead

YEARLINGS COME BACK TO COP 12-7 VICTORY

West Virginia Freshmen Outplay Greenies of Kentucky in First Half

Led by Jack Jean, the flashing, slashing fullback from Owensboro, the frosh football team, Saturday night, overcame a one touchdown lead held by Marshall and came back to win the game by two touchdowns in the last half to the tune of 12-7.

The lighter Marshall team clearly outplayed the Kittens in the first half and scored five first downs, the two made by the Big Green Team. The Kentuckians seemed slow to start and made several misplays in the first quarter, but seemed to regain life in the second stanza. Tobin, Marshall guard, was the line star for the visitors, while Rupert and Over were the best for the young 'cats in the forward. Ingold and Kenkad carried practically all the burden of the Marshall offense on their shoulders. Jean was the star of the greenies, while Roper and Over were the best for the young 'cats in the forward. Applications Due

The board of student publications will meet tomorrow to fill three vacancies on university publications. The positions which will be filled are editor-in-chief of the Kernel and editor and business manager of the Kentuckian, university annual.

U. K. ENGINEERS WILL STUDY COAL

Cooperative Arrangement Is Made Between College and Railway

Through a cooperative arrangement between the Chesapeake and Ohio Railway Company and the Engineering College of the university, the engineering laboratories will undertake an exhaustive study of the adaptability of coals obtained from mines located along the lines belonging to the railroad. The existing testing facilities have been increased to accommodate the investigations and the contemplated studies have begun.

NEW LAB IS FORMED

Complete boiler testing equipment has been added to the new laboratory, which is located in the service building of the department of buildings and grounds. The engineers will run tests ascertaining the calorimeter determination and both the approximate and ultimate chemical boiler tests using stokers as the method of firing will be included in the study. The results obtained from this cooperative work will be made available for general distribution among the engineering faculties.

Catholic Men Students Will Have Banquet

Lexington K. of C. Will Give Columbus Day Affair

that there will be no advance in prices and that Saturday morning will be given for the football fans assembled. This plan will be followed for every theatre party that SuKy gives during the year, and if all goes well and the students respond as they should, the best band in Dixie will give the football fans of Maryland, Alabama, or Florida a great big musical treat when the Wildcats tangle with their teams.

SENIORS!

Captain Bude Wright has asked that the band be sent with the team as he believes that only music such as the Kentuckians can play will be sufficient to soothe the beaten spirits of the Big Blue rivals.

# We know why men smoke PIPES

WOMEN don't smoke pipes. They're not the style for women. But pipes are the style for men, and more than that, a pipe and good tobacco gives a man greater smoking pleasure than tobacco in any other form.

In 42 out of 54 American colleges and universities Edgeworth is the favorite pipe tobacco. Cool slow-burning burleys give this fine tobacco exactly the character that college men like best of all.

Try a tin of Edgeworth yourself! You can buy Edgeworth wherever good tobacco is sold. Or if you prefer, you can get a special sample packet free: write to Larus & Bro. Co., 105 S. 22d St., Richmond, Va., and ask for it.

## EDGEWORTH SMOKING TOBACCO

Edgeworth is a blend of fine old burleys, with its natural savor enhanced by Edgeworth's distinctive and exclusive eleven-step process. Buy Edgeworth anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All sizes, 25¢ packet, package to \$1.50 pound humidifier tin.

Miss Nelson Honored at Camp  
Miss Millie Nelson, who for the last two months has been at Camp Nakanawa, in Mayland, Tenn., returned last night bringing with her the highest honor which the camp can bestow. The honor, in the form of a silver loving cup, was presented to Miss Nelson at the annual Trophy Night which marks the close of the camp for another year. The cup is presented each year to the girl who, in the opinion of the officials and counselors, has displayed characteristics which most nearly typify the ideal Nakanawa girl. There is one prerequisite which qualifies a girl as a candidate for the cup. She must, in some previous year of her camp life, have won the letter "N", the next highest honor in line after the cup and carrying with it practically the same meaning. Miss Nelson won her "N" two years ago. During each summer she has been at Nakanawa, Miss Nelson has been a leader among the girls and has taken an outstanding part in all the camp activities. She is to be heartily congratulated upon this signal honor which has come to her.

Phi Beta Meeting  
Kappa chapter of Phi Beta held its first meeting yesterday afternoon in the reading room of Patterson hall. Plans were made for the annual rushing parties, which will be held during the next two weeks.

Y. W. C. A. Party  
The Y. W. C. A. sponsored a pajama party Monday night 10 to 11 o'clock in the recreation room of Patterson hall for new girls of the university. Girls in Boyd hall acted as hostesses for the Patterson hall girls. Delicious refreshments were served.

ALUMNI ADMITTED TO BAR  
Robert O'Dear a graduate of the university College of Law and Rufus Lisle, who will graduate in January, 1932, both of whom are members of Phi Delta Phi, men's law fraternity, were admitted to the Fayette county bar Saturday, following their examination last summer. After his graduation from the university, O'Dear received a sterling fellowship to Yale for the school year 1930-31. Upon completing his course, he will enter the Lexington law firm of Allen, Botsa, and Duncan.

## Briefs From Enemy Camps

### MARYVILL VS VOLS

Knoxville, Tenn., Sept. 26.—Led by Shack Allen, smashing halfback who netted off 53 and 23 yard runs for touchdowns, the University of Tennessee defeated Maryville College, 33 to 0, today in its first game of the season.  
Gene "Wild Bull" McEver, sensational back of 1928 and 1929 returned to the Tennessee lineup after a season off with an injured knee, weaved his way through the opposing team for several good gains, and scored the first touchdown.

### W. & L.

Lynchburg, Va., Sept. 26.—Washington and Lee smothered a fighting Hampton-Sydney eleven here today with a series of plunges, running plays and passes to win its first game of the season, 32 to 0.  
The Generals were inaugurating Coach De Hart's new football system and made it look good for early season play against the weak opposition, piling up 18 first downs and three touchdowns.  
Three of the touchdowns came on passes and two on plunges. Several W. & L. sophomore backs looked impressive.

### V. P. I.

BLacksBURG, VA., Sept. 26.—Driving hard throughout the opening half, V. P. I. gained consistently in all periods today to defeat King College, 33 to 0, in the opening game of the football season.

### CRIMSON TIDE

TUSCALOOSA, Ala., Sept. 26.—Alabama's Crimson Tide rolled up a 42 to 6 victory over Howard College in its first appearance under Coach Frank Thomas today.  
Getting off to a slow start the Tide gathered force in the second half. Howard's lone touchdown, the result of a 37-yard pass came in the ball 34 yards to Parks who netted 23 yards more to cross the goal line.

### DUKE

COLUMBIA, S. C., Sept. 26.—Led by Earl Clary, a galloping halfback, the University of South Carolina Gamecocks triumphed over Duke University by a 7 to 0 score here today.  
For the first time since 1929, Wallace Wade, the new Duke coach who went to the North Carolina institution from Alabama, witnessed defeat of one of his teams.  
The lone score came early in the second period. A Duke fumble gave the ball to South Carolina 18 yards from the goal line. Then Clary, a sophomore, after a series of plays, scored the touchdown.

### FLORIDA—NO GAME

Gainesville, Sept. 26.—The thought of picking an eleven that might be regarded as "first team" for the University of Florida this fall, has been a tough one for Coach Charlie Bachman; however, the first light on this issue was shed this week when the Oxford mentor called: Ends, Parsons and Hall; tackles, Clyde McClellan and Jenkins; guards, Forsyth and Bernhard; center, Ferrazzi; quarterback, Buck; halfbacks, Rogers and "Bo" McClellan; fullback, Sillsy.

Seven of the above eleven won football letters last fall, though Jenkins, now at tackle, won his spurs at the fullback position.  
The sophomores in the line-up are Clyde McClellan, backfield candidate until shifted a week ago to tackle; Drayton Bernhard, freshman back last year, but shifted in spring practice to the line; Bill Ferrazzi, who played frosh tackle last fall, and Shaw Buck, quarterback last season on the "Baby Gators" whose position remains unchanged.

Just whether this is the eleven Mentor Bachman will pick to open his schedule October 3 against North Carolina State cannot be determined. There are strong possibilities of four or more changes.

### Tennessee vs Maryville, 33-0

W. & L. vs Hampton Sydney, 32-0.  
Maryland vs Washington College, 3-0.  
V. P. I. vs King College, 33-0.  
Alabama vs Howard, 42-6.  
South Carolina vs Duke, 7-0.  
Richmond vs V. M. I., 7-0.  
Florida, no game.

Rome, Italy (IP)—Football, which as a professional game appears to be the most popular great Italian sport, would be of less importance here, it was revealed recently, were it not for the large number of excellent football material which is imported annually from the Argentine, where in 25 years football has grown by leaps and bounds.

Within the last 16 months 31 Argentine football players have come to Italy under contract at salaries of from \$4,250 to \$12,500.  
In a game between Rome and Genoa recently seven Argentines played on one side and four on the other.

All of the players, it happens, are sons or grandsons of Italians and have Italian names, and their Argentine citizenship is not advertised to the public here.  
Premier Mussolini recently prohibited further importation of players, but found that this would make for gross inequalities among the various teams of the country, and so lifted the ban temporarily to allow all teams to fit themselves up

with enough Argentines to be able to play other strong teams.

London — (IP)—The combined Yale-Harvard track team this summer defeated the combined Oxford-Cambridge tracksters with a score of 7½ to 4½. The event was the tenth of its kind, and the victory gave the Americans six wins over their British rivals in the series.

New York — (IP)—Speaking before the Eastern Association for the selection of football officials here recently, Major John L. Griffith, commissioner of the Western Conference expressed the belief that while football might not draw as many fans this year as in previous years, he expected fully as much interest in the sport throughout the country.

Pittsburg — (IP)—Henry Smith Pritchett, president of the Carnegie Foundation for the Advancement of Teaching, warned colleges in his annual report this summer that continued exploitation of football as a college money-making game would lead to governments taxing colleges as profit-making organizations.

Think Nothing of It
South Carolina beat Duke, 7 to 0. Think nothing of it. Last year the Gamecocks beat Duke 22 to 0. In the season's debut. Then what happened? The remainder of Duke's schedule read like this: Duke 32, Virginia 0; Duke 12, Davidson 0; Duke 18, Navy 0; Duke 14, Wofford 0; Duke 12, Villa Nova 6; Duke 14, KENTUCKY 7; Duke 18, North Carolina State 0; Duke 13, Wake Forest 13; Duke 14, Washington and Lee 0; Duke 6, North Carolina 0. No other defeats.

Uncle Dan Says We're Still Amongst 'Em
In a copyrighted article in the Atlanta Constitution we find that Col. Dan McGugin, Vanderbilt coach, says that Tennessee has the best chance of any team in the Southern conference to go through the season undefeated. And Col. Dan ought to know. Tennessee beat Vandy 13 to 0, last year, and the Tennessee Hatz beat his freshman team 50 to 0.

McGugin names his "big nine," which he believes will be on top at the end of the season. And they include Alabama, Tennessee, Georgia, Georgia Tech, Florida, Tulane, North Carolina, KENTUCKY, and Vanderbilt. Kentucky plays three of the "big nine."

Uncle Dan says that of teams making the greatest relative progress are Tulane, Florida, North Carolina and KENTUCKY. We're still in the running, it seems.

He Would Even Steal Our Traditions
This from Ralph McGill in his "Break of Day" column:

"The mob of students at Alabama—more than 4,500 registering in one day—Frank Thomas, head coach, looking over the freshmen—The most beautiful co-eds in the South are at the Capstone—And how they swarm about the student union!—One hardened newspaper man who moaned, 'Oh, to be 18 years old and a freshman at Alabama!'"

McGill has been touring Southern Conference schools for the Atlanta institution, BUT HE DIDN'T COME TO KENTUCKY. Hence his unqualified statement regarding beautiful co-eds.

Geometric Heroism

By Jove (Apologies to E. Fields)

The Geometry book is covered with dust. But quiet and still it stands; The chewed fountain pen is covered with rust. Alone by a dry ink stand. Time was when they all were used. And a problem worked here and there. But that was before our hero knew Of the football cry in the air.

"Aw, come on out, it's fun," they said, So amidst their calls and noise, He jerked the Frosh cap from the unmade bed And joined with the other boys. And as soon as he heard the gay pep song, He forgot all his books so true, And now he stays out, ever so long, A wild Kitten, dressed in blue.

But faithful to the new hero they stand, Each in its same old place, Awaiting the touch of his impatient hand. And the scowl of his worried face. They wonder, as waiting the long weeks alone, In an inch of dust by the chair, What has become of the boy now unknown, Since he sighted, and put them there.

Several days ago, smoke was seen coming forth from the shrubbery around a porch in Rose Lane. A startled house keeper rushed forth to investigate, wildly wondering where the nearest fire box was. Hastily parting the bushes, she suddenly stopped in astonishment, as a small voice said, "Whatcha Want?" There, at her feet sat a small, red headed, freckle-faced boy about four years old, and he was majestically smoking a cigarette, emitting great clouds of gray smoke. 'Twas none other than Billy Boles, son of our famed "Daddy" Boles, and his woe under that Daddy said when Billy was brought forth homeward?

Jack Jean Leads in Win Over Marshall

(Continued from page one)

Going into the last period the young cats were still one point behind. The Big Green had possession of the ball and immediately started a march to the goal, but the backs fumbled twice and this reprieve seemed to give Marshall new life. They started a new attempt to score, but Pierce fumbled and Jean recovered for the hosts. Barney tossed a 20-yard pass to Rupert, who eluded the enemy and slid four or five yards over the goal for the second freshman score. Barney's place-kick for the extra point was wide and the score was 12-7 in favor of the greenlings. The game ended shortly after the final score was made and left a hysterical crowd still yelling for Jack Jean and his Kitten companions.

End breaks robbed the Kittens of two or three more touchdowns. Jack Jean made a sixty-five yard dash for a first down, but was called back because some of his teammates were offside. Another time a Kitten blocked a Marshall punt on the enemy's 20-yard line, when the Huntington team had to gain 20 yards for a first down, but Marshall man recovered the ball for a Marshall first down. Then again a Kentucky man intercepted a Marshall pass, only to fumble it after going a few steps and the ball was recovered by the foe.

Outside of the futile long run made by Jean, the longest run of the evening was made by Saunders, sub Kentucky fresh quarterback, who sauntered 47 yards in the third period. This boy Saunders relieved Barney late in the second quarter when the Ashland flash injured his knee on an attempted long dash around one of the flanks. In Saunders, "Prib" revealed to the fans a potential field general of no mean ability.

Incidentally, this was the first game of football that has been played in Lexington this season, and was also the only night game that will be played here. A good crowd of approximately 2,500 persons saw the tussle, one of the largest that has ever witnessed a freshman football game.

Although earlier in the season the Marshall pridders were billed as Reserves, the West Virginians played only freshmen in Saturday's encounter.

Changes Announced In Staff of Guignol

Additions and changes to the staff of the Guignol theater for the current season were announced Monday afternoon by Prof. Frank Fowler, director. The entire property staff will be under the direction of Virginia Boyd. Her assistants are: Marjorie Weaver, Agnes Fitzgerald, Martha Carlton, Lucy Shropshire, Annette Newlin, Jane Mathews, Ann Thomas Denton, and Elizabeth Montague.

Other changes announced are in the cast of "Let Us Be Gay," first play planned by the theater for the season. Christine Johnson will play the part of "Dierdre," a role in which Justine White had previously been cast. Alfred Andrews will take the part of "Wallace Grainger," a part vacated by Hugh Marquise. Edward Bixby will play the role of "Williams."

Sally Jesse and Jesse Lillard Bond have been selected to do the designing and costumes for the Guignol.

Prince, N. J. (IP)—Princeton this fall will dedicate a new scientific building erected in memory of Dean Henry Burchard Fine, former Princeton mathematician. One of the features of the structure is the mathematical equations and geometric figures which appear in the stained-glass windows.

ARMY, KENTUCKY WILL NOT CLASH

(Continued from page one)

An attempt to schedule a game for 1932 with the Army failed because the service team has already scheduled its full list of major teams. Negotiations for the 1932 game came to a close Saturday when "Daddy" Boles received word from Major Fleming of the Army, explaining West Point's schedule. At first it was thought that there might be a place on the Army's schedule for Kentucky, but when Major Fleming discussed it with Coach Sasse he was told that the Army could not take on any more major teams for 1932, and that only let-down games could be scheduled.

The possibility of a game to be played in 1932 was not mentioned. The Wildest schedule for 1932 is most complete, and a start has been made on the 1933 list. The 1932 schedule follows: October 1—Open October 8—Georgia Tech at Lexington October 15—Washington and Lee at Lexington, Ky. October 22—V. P. I., place undecided. October 29—Alabama at Lexington November 5—Duke at Durham November 12—Tulane at Lexington November 24—Tennessee at Knoxville.

Lexington, Va., Sept. 26—Victor "Turkey" Chastain, held out for injuries at the start, entered the game in the fourth quarter to intercept a pass and race twenty-five yards for a touchdown, giving the University of Richmond its first victory over Virginia Military Institute in a number of years. The score was 7 to 0.

Denver—(IP)—Stanley M. Moore, student at the Michigan College of Mines, was killed here by a gangster who picked him up as a hitchhiker.

New Ruling Governs Cross Country Meet

(Continued from page one)

The annual cross country meet, sponsored yearly by the Intramural department of the university, got under way yesterday, with the initial workout of the season being held by the managers in charge. There were a total of 86 men entered in the event, representing the 17 fraternities on the campus and a group of independents. Seventy-nine fraternity men and seven independents were numbered among the entrants for the event. A fine field contested in the event last year, and a close race resulted. Although very little is known of the entrants in this year's event, a fierce struggle is expected. Last year's race was won by H. Baker, Phi Sigma Kappa; with the campus in order of runners: B. Madsie, C. Gottlieb, C. Mahan, H. Hand.

The routine for the event is quite different from that followed last year. Each man entered must pass a physical examination before he may participate in the final race. Also, each entry must report at the gate each time he practices, and he must run the route nine times to become eligible for the meet.

Valuable team trophies will be given those teams finishing first, second and third; while individual medals will be given to the first team men to finish the course. A new course has been mapped out this year and is said to be extremely difficult. Entrants start at the east side of the baseball screen on Stoll field; they then go out the gate to the roadway, down the roadway to the creek and jump it, and then follow the stream to Limestone street, south on Limestone to the Agricultural building, past the hot house, back across the campus, through the large ravine and past the administration building; the course then follows the signs past the women's gymnasium and back to the start, which is also the finish.

Debating Tryouts To Be Held Tonight

(Continued from page one)

Because of the unusually large number of students applying for tryouts in debating Friday evening, Prof. W. R. Sutherland, university debate coach, was compelled to ask part of the group to postpone their tryouts in debating Friday evening. The others will comprise the group that will speak tonight.

At the National Air Races in Cleveland this summer Lieut. Al Williams stunted his plane as directed by the audience through a radio hook-up. Another stunter waltzed his plane in time with dance music broadcast from the ground.

Lambert, W. F. Rhinehart, Burnam Peasrman, John C. Gramer, Roscoe Morgan, Boone Hall, James Y. Curtis, John T. Sweeney, Clinton, Gardner, Logan Eastiff, W. O. Miller, and J. R. Mays. The first seven of these had their tryouts last Friday. The others will comprise the group that will speak tonight.
