"No Place Like Home"

Memorial Coliseum has been the exclusive basketball home of the Kentucky Lady Kats since the Wildcats moved downtown to 23,000-seat Rupp Arena in 1976. Throughout 24 seasons in Memorial, the Wildcats had many great moments while establishing a winning tradition recognized throughout the world.

The Lady Kats have proudly carried on that tradition, and Memorial Coliseum is still known as the home of a winning, high-class program. Since moving into the Coliseum for the 1975-76 season, the Lady Kats have compiled a 75-18 record at home. In the past three seasons, they have lost only three times on their floor. And midway through last season, they had extended a homecourt win streak to 31 games before falling to Memphis State, 70-69.

Plans for construction of Memorial Coliseum began in 1941, when Dr. H. L. Donovan became president of the University and recommended a building "that will properly take care of our athletics, our health services, physical education and recreation." The 11,500-seat Coliseum was completed in 1950, and cost \$3,925,000 to build.

The huge building, which serves as a memorial to the nearly 10,000 Kentuckians who lost their lives in World War II and the Korean conflict, covers an entire city block and contains as much space as a seven-story office building. Situated along the Avenue of Champions on the UK campus, the Coliseum is used primarily for basketball games and Athletic Department offices, but also serves as the site of other sporting events, as well as concerts and lectures.

TERRY HALL

After two outstanding seasons at Kentucky and possessing a career winning percentage of .657 in eight years as a collegiate coach, Terry Hall is now regarded as one of the top coaches in the women's collegiate ranks.

Hall guided the 1981-82 edition of the Lady Kats to their finest season ever, a 24-8 campaign that ended in the Midwest Regional championship, where Kentucky fell to No. 1-ranked and eventual National Champion Louisiana Tech on the Lady Techsters' home floor.

By the end of the season, the Lady Kats were playing so well that Hall proclaimed, "If we had been in any other region, we would have been in the Final Four."

That Kentucky performed so well is largely credited to Hall, who at the start of the season was faced with the task of rebuilding a team that lost two starters off the front line while adding only one player—a guard—to the roster. But somehow Kentucky improved. The Midwest Regional final was one step farther than the Lady Kats had advanced the previous year, in Hall's rookie season at Kentucky. That year UK finished with a 25-6 record after losing at Maryland in the AIAW's round of 16 finalists. Following that season, Hall was honored as the Kentucky Women's Intercollegiate Conference Coach of the Year.

Hall now has a 49-14 record at UK for a winning percentage of .777. Her career record is 142-74 over 8 years. The highlight of her career at Kentucky came toward the end of last season, when the Lady Kats defeated favored Tennessee 80-74 to capture the Southeastern Conference championship on their home floor.

Coach Terry Hall

Before coming to Kentucky, Hall coached for five seasons at Louisville, where her teams compiled a 79-54 record. In her final season at U of L, she guided the Lady Cardinals to their first Metro Conference title as they defeated a tough Memphis State team in the tournament finale. Hall also coached tennis and softball while at U of L.

Hall's initial coaching job was a one-year assignment at Eastern Kentucky University, where the Lady Colonels produced a 14-6 record and a KWIC title for the rookie coach. Her experience up to that point had been in the high school ranks, where she coached Louisville Butler to a 69-33 record and two Jefferson County titles in five seasons.

A native of Salem, Ind., Hall attended Indiana State University, where she starred in basketball, field hockey and volleyball before graduating in 1966. She was honored with the "I" Woman Award in 1965, and received the prestigious Hillman Award in 1966 as the most outstanding female athlete at ISU.

Also an outstanding softball player, Hall enjoys competing in a fast-pitch league in Louisville. She has been named to several softball all-star teams and is an exceptional pitcher.

Hall earned a degree in Health and P.E. from ISU in 1966, and received a Master's Degree in P.E. from Eastern Kentucky University in 1974.

Outlook

1982 LADY KATS RISING TO THE TOP

Over the past few years, the ultimate goal has always been the same for the Kentucky Lady Kats—reaching the Final Four. When the freshman group of Valerie Still, Patty Jo Hedges and Lea Wise arrived at Kentucky in 1979, the goal became infinitely more reachable. Now they are seniors, and that is exactly why Coach Terry Hall feels her team has its best shot yet.

"Experience," she says with a smile. "We've got three seniors who have matured as people and had a variety of experiences on the court. They've played international ball together, and they've been running our plays together for three years."

Still, Hedges and Wise have all started for three seasons at Kentucky. Also in the lineup this season will be freshman forward Leslie Nichols and second-year starter Lisa Collins. "Lisa is also very experienced," said Hall of the junior forward. "She's been through a lot of pressure situations and came through them quite well."

Some pollsters have placed Kentucky in the Top 10 because of Valerie Still alone. The 6-foot-1 center is generally regarded as one of the top three or four players in the nation. Some believe she is the best.

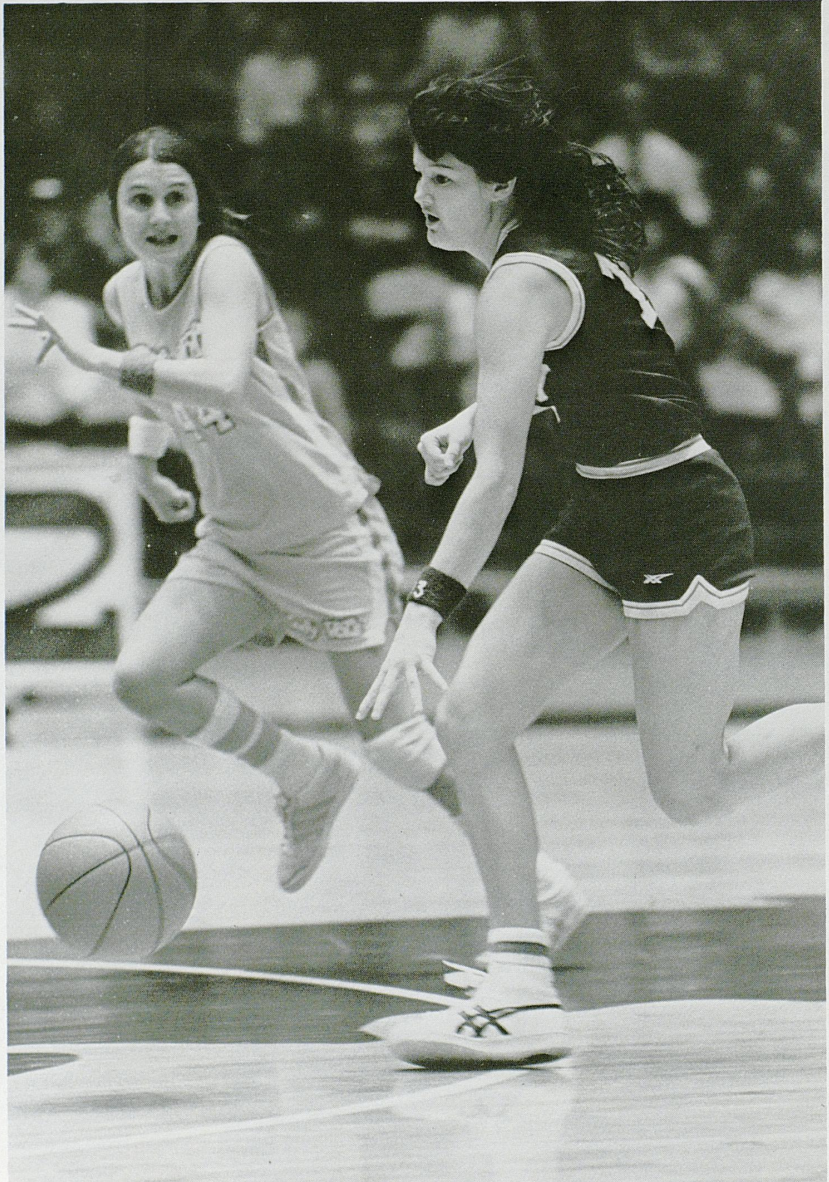

"Valerie has just improved and improved and improved since she's been here," says Hall of the two-time All-American. "She's stronger and more confident. I'd say she's definitely in the top three or four players."

Still was sixth in scoring (24.8) and fifth in rebounding (14.8) last season. She has led Kentucky in scoring and rebounding for three consecutive seasons and was named the team's Most Valuable Player each time. Of course, Still is always quick to point out that she would not be quite as successful without the benefit of what may be the best backcourt in the nation. Coach Hall agrees with that assessment.

"I don't think there is a better ball-handling point guard than Patty Jo," she said. "And Lea is probably one of the finest shooting guards in the nation. They are both quick and versatile, and I do believe they are one of the nation's finest backcourts. They haven't always been consistent, but as I said, they have matured and I expect more consistency from them."

Wise and Collins give Kentucky a double outside shooting threat. Wise hit 48.6 percent of her shots last season and averaged 11.6 points. Collins, at 5-10, plays small forward, but most of her shots come from the 20-25-foot range. She shot 51.4 percent and averaged 7.7 points last season.

Four returning starters are not the only reason Coach Hall believes this team will be the best Kentucky squad yet. "I think we improved the team with our recruiting," she said.

Patty Jo Hedges puts the 'fast' in UK's fast break

Leslie Nichols, 6-0, and Karen Mosley, 6-2, are the top recruits. "Last season our main worry was lack of height," Hall said. "And we've definitely improved that. Karen is a super defensive rebounder and Leslie is a super offensive rebounder."

"Last year other teams' goals were to keep Val off the boards and jump over our small forwards. That won't be so easy to do this year."

Nichols could emerge as one of the top freshmen in the country this season. She started every game in the team's six-game tour of Japan this summer and averaged 10.2 points and 7.7 rebounds.

Junior Jody Runge will also supply depth and experience to the front line. At 6-2, Runge averaged 3.8 points and 2.7 rebounds as a top reserve last season. Coming in at the guard spots will be junior Donna Martin

(3.1 ppg, 1.5 rpg) and sophomore Diane Stephens (3.4 ppg, 1.5 rpg).

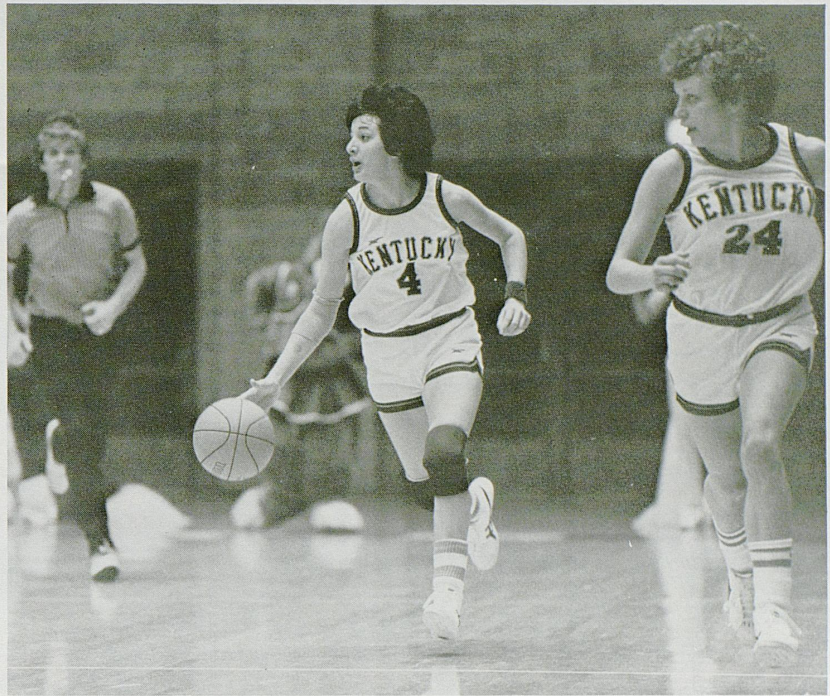

Coach Hall is satisfied with her team's depth. "Our philosophy really is to use eight players," she said. "And we've got eight, maybe nine, strong players."

It all adds up to an optimistic outlook, she says. "Good speed, good quickness, good rebounding, good depth and a good attitude to this point," she said. "We could be interesting."

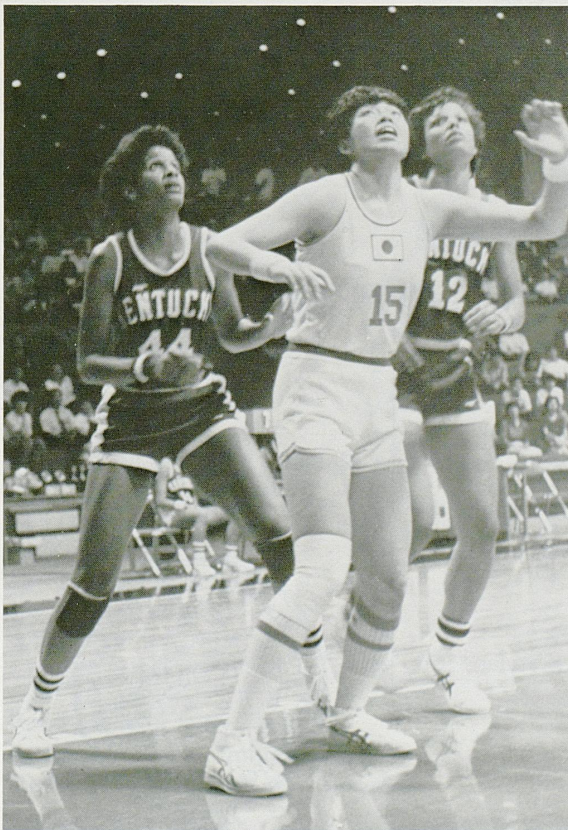

Of course, there is need for some improvement. "We've got to improve on defense," she said. "We didn't play a good man-to-man last year. We didn't help out or contain our person like we should have."

Hall also believes her team will have trouble against an exceptionally tall team. "If we play someone who has a 6-7 center and 6-2 or 6-3 forwards, it will make it tough on us. We've improved our size, but we're still not as tall as a lot of teams. Most of our height comes off the bench."

Kentucky's schedule, rated eighth in toughness last year, may be a little more difficult this season, Hall says. "We've got Old Dominion again, Ohio State, Tennessee twice, Georgia twice and Memphis State and South Carolina again. Plus, we've added Rutgers, Auburn and Alabama. I'd say we'll have our hands full."

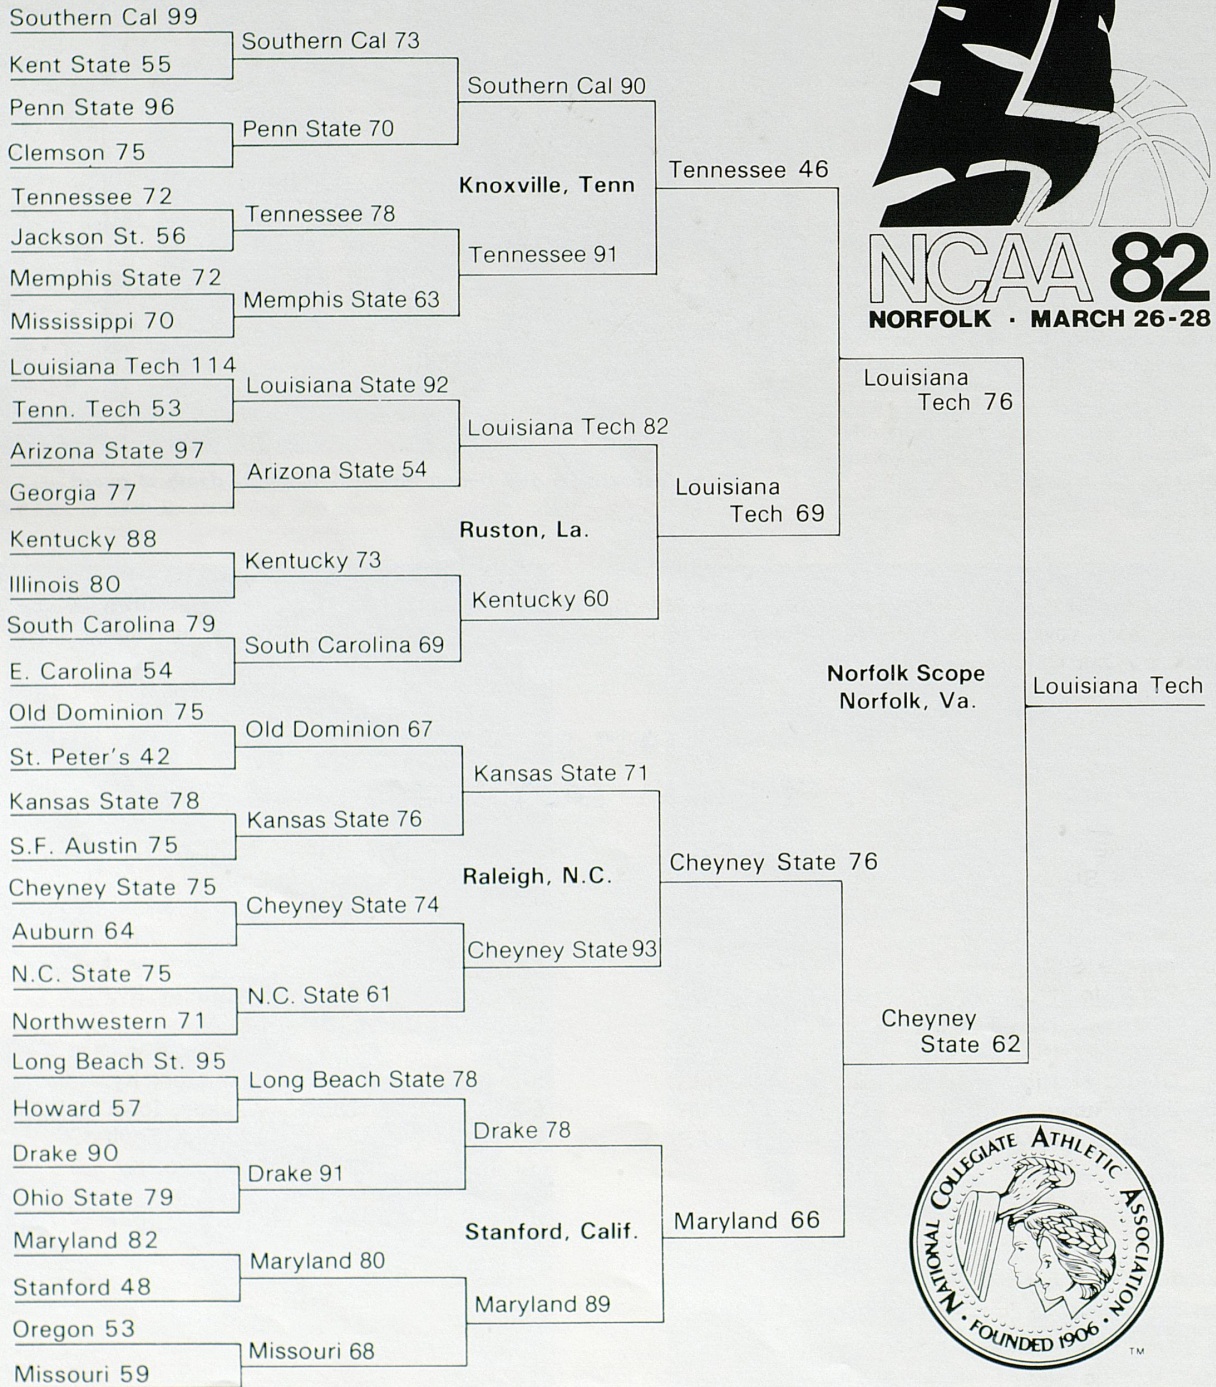

Diane Stephens (4) and Donna Martin (24) supply depth at guard

Freshmen Karen Mosley (44), left; and Leslie Nichols (11), right, should help take pressure off Still (12).

Situated in the heart of the beautiful Bluegrass region of Kentucky, the main campus at Lexington has more than 23,000 students enrolled.

Another 19,000 students are enrolled in the 13 community colleges operated by UK across the state.

The main campus, near downtown Lexington, comprises about 625 buildings and other structures, walks, malls, gardens, playing fields, recreation space and parking.

UK has a graduate school and 17 academic colleges . . . Arts and Sciences, Agriculture, Engineering, Business and Economics, Education, Home Economics, Library Science, Social Work, Architecture, Communications, Fine Arts, Law, Medicine, Nursing, Dentistry, Allied Health Professions and Pharmacy.

UK is noted for its research efforts, especially in the fields of energy, tobacco and cancer.

UK's Institute for Mining and Minerals Research is a national leader in energy-related research.

The UK College of Agriculture has been responsible over the years for the development of 80 percent of the burley tobacco varieties grown anywhere in the world, and its research on tobacco diseases has saved farmers millions of dollars.

Kentucky also is a world leader in the thoroughbred horse industry. In fact, vaccines developed at UK for horses are being used all over the world.

UK has an outstanding faculty with some of the top teachers and researchers in the nation.

In the arts, close to 100,000 people attend the many art, music and theater productions at UK. UK's new Center for the Arts contains a 400-seat recital hall, a 1,500-seat concert hall and the 20,000 square-foot UK Art Museum.

UK's Albert B. Chandler Medical Center has a wide range of programs in education and research. The five colleges of the Medical Center—Medicine, Nursing, Dentistry, Pharmacy and Allied Health—have more than 2,000 students pursuing bachelor, mas-

ters and doctoral degrees in health related fields.

Of major significance in the area of medical research is the Sanders-Brown Research Center on Aging, one of the first facilities of its kind in the nation.

UK graduates almost 6,000 students each year from the main campus and the community colleges. The UK Alumni Association, therefore, continues to grow in number

of clubs (64) and paid members (22,000). Besides the 34 clubs in Kentucky, there are 30 organized alumni groups outside the state from Los Angeles to New York.

The University has had only eight presidents since its founding in 1865. Dr. Otis Singletary, now in his 13th year as UK president, is a history scholar and nationally-recognized university administrator.

The Coach Terry Hall Show

"The Coach Terry Hall Show will be something fresh and innovative—not your standard coach's show," promises Channel 36 Sports Director Kenny Rice. Believed to be one of two weekly women's coach's shows in the nation, the Terry Hall Show will be seen on Sunday afternoons at 4 p.m., with the time slot subject to change after the first of the year.

Channel 36 Station Manager Bill Service saw the growing interest in Lady Kats basketball and decided the time was right to initiate the show. "We think the team has a good shot at making the Final Four," said

Rice. "And we want to be right there with them."

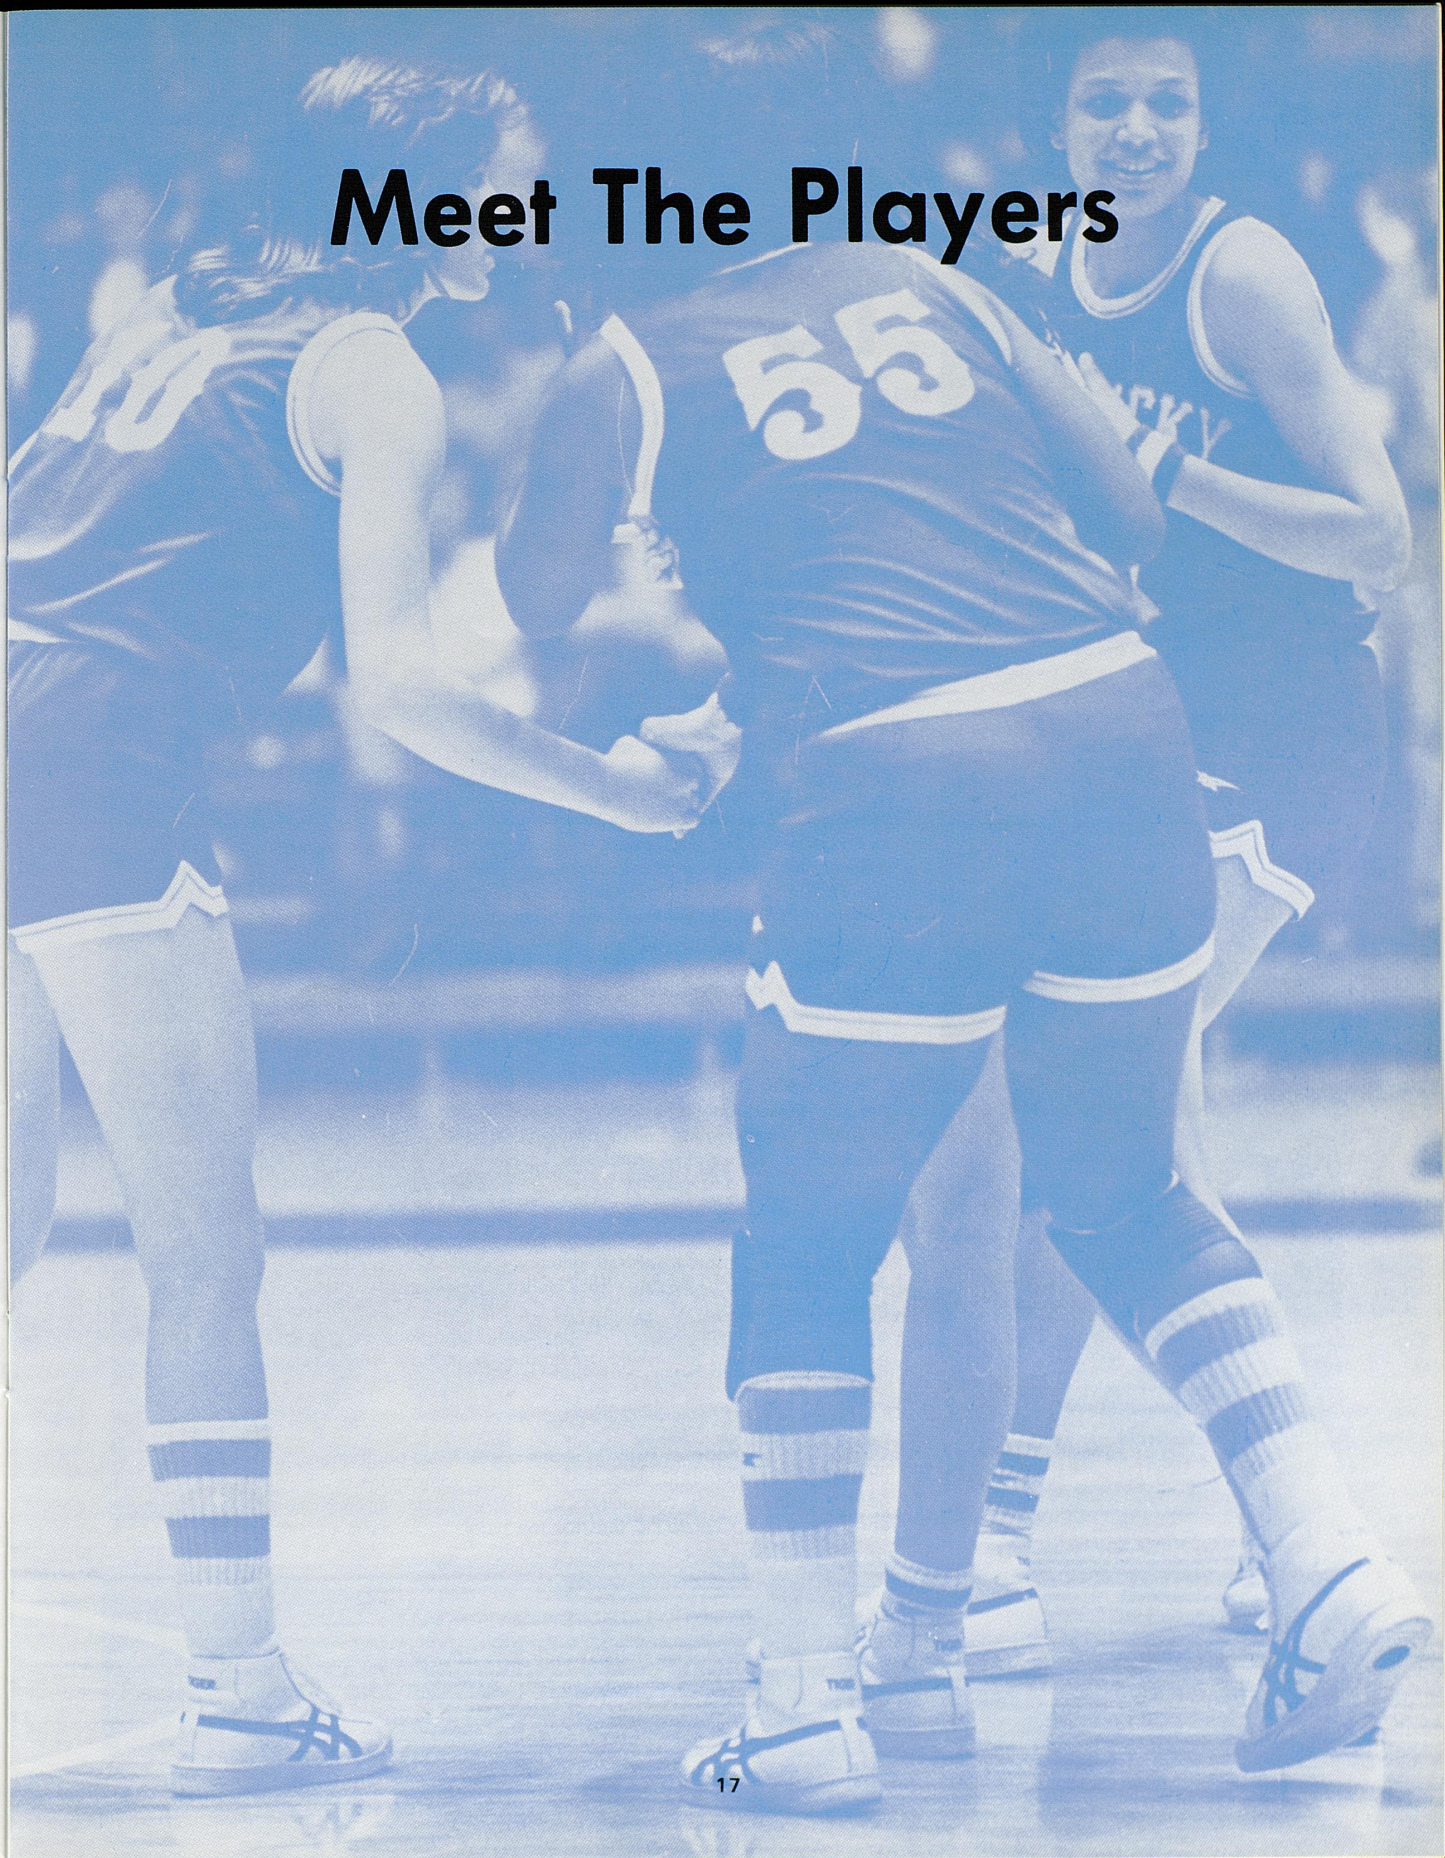

Rice, a 1980 graduate of UK who hails from Eastern, Ky., joined the Channel 36 staff in October of 1980, and was named Sports Director in March of 1982. While serving as sports anchor on the weekend newscasts, Rice helped his station from third place to first in the local weekend ratings. "We had a really good weekend staff," he said.

The Terry Hall Show will not be just a studio production. "We plan to go on location a lot, do profiles on players, and maybe

take a look at the women's NCAA, give people not real familiar with women's basketball a better idea of what's going on in the sport," said Rice. "And, of course, we'll look at upcoming opponents, show highlights and the like."

Rice, 26, is in his 11th year in the sportscasting business, having worked for eight years at WDOC radio station in Garrett, and for two years as Sports Director for a cable television station in that town. He also does correspondent work for ESPN, Cable News Network and ABC.

Meet The Players

13 PATTY JO HEDGES

5-7, Senior

Guard

Louisville, KY

Possibly the most underrated player in the game, Patty Jo continually astounds fans and foes alike, but seldom attracts the national attention many believe she deserves. Last season she was named to the all-tournament squads of EVERY tournament the Lady Kats competed in, but failed to make the All-Southeastern Conference team. She was selected to the SEC All-tournament team, however, and was also named to the Detroit Classic, Lady Kat Invitational and Midwest Regional all-tourney squads. She holds both single game and tournament assists records in the Southeastern Conference, Detroit Classic and Lady Kat Invitational tournaments.

Although Patty Jo is recognized primarily as a great passer and ball handler, she managed to hit double figures 18 times last season while averaging 10.1 points. An outstanding leaper, she also was third on the team in rebounding with a 4.2 average. Additionally, she shattered her own season assists record of 181 by dealing out 209. She already owns the career Lady Kat assists mark with 531 over three seasons. Other UK records she holds are assists in a game (16), steals in a game (8), steals in a season (78) and steals in a career (199).

PJ failed to start for Kentucky in her first 13 games as a freshman. But since then, she has missed only one start. Following her freshman year, she was named All-Kentucky Women's Intercollegiate Conference. She was also selected to the SEC All-Tournament team that year.

HEDGES — Future plans—graduate, play pro basketball, coach; hobbies—basketball, skiing, camping, fishing, softball, being with family and Jimmy; favorite vocalists—Gap Band, Seals & Crofts; TV star—Rock Hudson; movie star—Henry Fonda; TV show—Kung Fu; worst—soap operas; movie—On Golden Pond; worst—Terror Train; food—cereal and donuts; athletes—Tanya Fogle, Lori Edgington; non-athlete—Parents; favorite quote—"Happy are those who dream dreams and are willing to pay the price to make them come true."

Coach Hall on Hedges: Patty Jo is one of the finest point guards in the country. She is unselfish and a great floor leader. She sees everyone on the court. Patty Jo plays her best games against the best competition. She has the ability to control the tempo of a game, and I depend on her to do that for the team.

14 LEA WISE

5-7, Senior
Guard
Lexington, KY

An All-Southeastern Conference guard in 1982, Lea has been instrumental in guiding a fast-paced, fast-breaking Kentucky offense that is regarded as one of the best in the nation. In three seasons Lea has missed only four starting assignments at Kentucky and her calming influence and steady play has helped the Lady Kats to a 73-19 record during her time here.

Last season Lea was second on the team in scoring with an average of 11.6 points while shooting 48.6 percent from the field. She averaged 4.2 assists, and dealt out more than 100 (134) for the third consecutive year. The high point of Lea's junior season came in the NCAA playoffs in a game against Illinois. She hit 15 of 16 field goal attempts and scored a career-high 30 points as UK won 88-80 and advanced to the Midwest Regional. She scored in double figures 16 times and led the team in scoring three times and in rebounding once. She was also named to the Lady Kat Invitational all-tournament team.

Lea is also recognized as a top defensive player, and was named UK's Best Defender both last year and following her sophomore season. She was also honored with the 110 Percent Award last year.

As a freshman, Lea was named to the All-Kentucky Women's Intercollegiate Conference team, an organization that the Lady Kats no longer belong to.

Her performance against Illinois put Lea in the UK record books for best field goal percentage in a single game (93.7). She also holds that honor among Lady Kat Invitational records, with a 13-for-17 (76.5) performance against Cincinnati last season.

A local player of immense popularity, Lea is a product of Lafayette High School, where she was selected to All-City, All-District, All-Region and All-State teams. She led the Lady Generals to the State Championship game her senior year, and was named All-State Tournament for her efforts.

Coach Hall on Wise: Lea is a terrific outside shooter. I depend on her shot in clutch situations. Lea plays hard every game and plays under control. One aspect of her game that is usually overlooked is that Lea is a good passer. She has matured greatly in the past two years and I expect her to have her best season in 82-83.

12 VALERIE STILL

6-1, Senior
Center/Forward
Kansas City, MO

Regarded by some as the best player in the nation, Valerie continues to rewrite the UK record books while being showered with regional and national honors. Following last season, she was named to virtually every All-America first-team—Kodak, American Women's Sports Federation, Street and Smith—and was a finalist for the prestigious Wade Trophy, which honors the top female basketball player in the nation.

In the final NCAA statistical rankings, Valerie was listed in three categories. She was fifth in rebounding at 14.3, sixth in scoring at 24.8 and 13th in field goal percentage at 58.2. She led the nation in rebounding throughout the season and was still on top going into the NCAA playoffs.

The highlight of Valerie's junior season came during the Southeastern Conference tournament, which Kentucky won on its home floor. She was named Most Valuable Player while averaging 30 points and 11.3 rebounds in three games. She also was outstanding in the other three tournaments Kentucky competed in. She was Most Valuable Player of the Lady Kat Invitational, Best Offensive Player in the Detroit Classic, and was named to the Midwest Regional All-tournament team. Val was also named Most Valuable Player of the six-game series when the Lady Kats toured Japan last summer.

Remarkably, Valerie holds six career Lady Kat records after only three seasons. She also possesses three individual single game and four individual season records. But perhaps her most impressive claim at this basketball-rich school is Valerie's ranking as second on the all-time (men's or women's) UK scoring list. Her 2,063 career points are only 75 points shy of Dan Issel's top mark of 2,138.

She holds Lady Kat single game records for most points (41), most rebounds (27) and most field goals made (18). Her individual season records are for most points (794), most field goals made (329), most field goal attempts (565) and most rebounds (457). She also holds four tournament and three single game records for the Southeastern Conference tournament. She has made All-SEC team three straight years and was named to the first All-SEC league team last season.

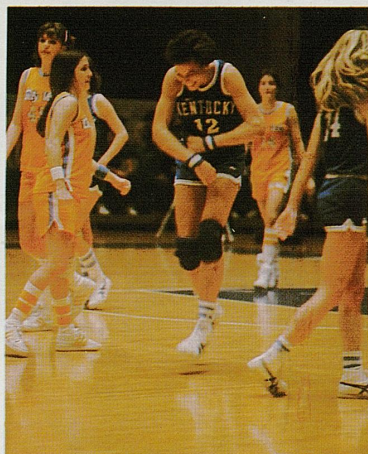

Valerie's outstanding accomplishments have come despite the fact that she has been playing out of position for the past two seasons. After a superb freshman season at her natural forward spot, Valerie has started at center the past two seasons. With the recruitment of two freshmen centers, however, Coach Terry Hall is hopeful that Val can once again see playing time at forward.

Out of position or not, Valerie has managed to lead Kentucky in scoring and rebounding for three consecutive seasons. She has been named Most Valuable Player of the team for three seasons as a result.

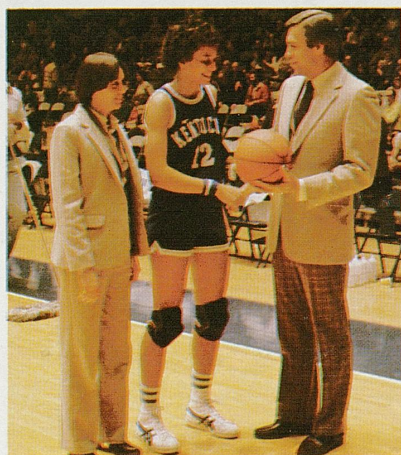

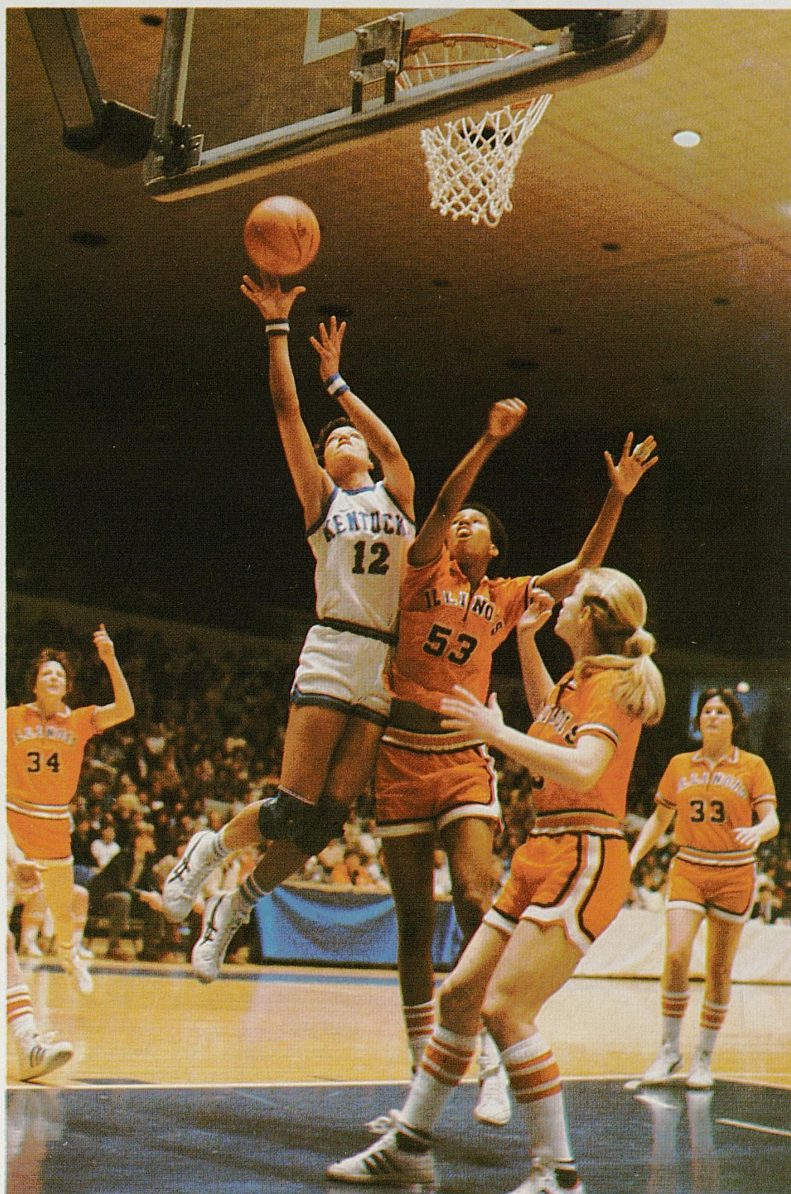

A versatile athlete with great leaping ability, quickness, speed and finesse, Valerie has been a blessing to the U.S. in international competition just as she has helped Kentucky. Following her freshman season, she played for the U.S. Jones Cup team in Taiwan, and after her sophomore year, she competed for the U.S. in the World University Games in Romania. Last summer, she again played in the Jones Cup competition, and led the U.S. in scoring as it fell to Canada in the championship game.

A graduate of Cherry Hills-East High School in Cherry Hills, N.J., Valerie moved with her family to Kansas City to be close to brother Art, who is a former All-America football player at Kentucky and is now an All-Pro for the Kansas City Chiefs.

Coach Hall on Still: Valerie is truly a great player! What else can we ask of her? She plays with great confidence and intensity. She is a floor leader by her court actions. She is the backbone of Lady Kat Basketball.

Like many teams, Illinois had trouble stopping Still (right). Above, Val enjoys a happy moment. Below, she is congratulated by Athletics Director Cliff Hagan and Coach Hall after becoming the Lady Kats' all-time leading scorer.

10 LISA COLLINS

5-10, Junior
Forward/Guard
Corbin, KY

After playing guard throughout her high school career and splitting time between guard and forward her freshman year at UK, Lisa was in an unusual position when she was called upon to start at forward last season. But she responded well, and before her sophomore year was over, she had become one of Kentucky's most reliable players. After a slow start, Lisa finished third in assists (89), third in rebounding (4.2) and fifth in scoring (7.7). She shot 51.4 percent from the field, 88.4 from the free throw line, and turned the ball over only 50 times in over 800 minutes of action.

Lisa scored in double figures 13 times, and in 11 of the team's last 16 games. Her performance in the Southeastern Conference tournament—in which she scored 14, 14 and 12 points in three games—was a key to UK winning the title, according to Coach Hall. And she continued to play well in the team's tour of Japan last summer, as she averaged 9.6 points and 4.2 rebounds.

An excellent free throw shooter, Lisa broke her own record for consecutive free throws made when she hit 20 straight last season. She had hit 19 in a row as a freshman. She now has a career free throw percentage of 90.0. She has also hit well from the field, and owns a career field goal percentage mark of 52.2.

As a high school player, Lisa led her Laurel County (Ky.) team to three consecutive state championships. A three-time all-state player, she was named Kentucky's "Miss Basketball" and was chosen first-team Parade All-American after her senior season.

At the Lady Kats' Awards Banquet last spring, Lisa was recipient of the Coach's Award, which goes to the player possessing the outstanding qualities a coach looks for.

Coach Hall on Collins: Lisa is a great outside shooter, and she is also a fine free throw shooter. She is a smart player and a great team player. Lisa is the most consistent player on the squad, making the fewest number of mistakes.

25 JODY RUNGE

6-2, Junior
Center
Waukon, IA

Playing in the awesome shadow of All-America center Valerie Still, Jody has a sometimes thankless job with the Lady Kats. But in reality, her role is one of the most important on the squad. Playing in all but one game last season, Jody was called upon frequently to rest Still against some of the top teams and top centers in the nation. And sometimes her performances were outstanding. One particularly important outing came against ninth-ranked Georgia last season. With Still in foul trouble, Jody came in and hit four-of-four shots as Kentucky survived a three-point victory.

A good shooter, Jody has hit 51.3 percent in two seasons as a Lady Kat. As a senior at Waukon (IA) High School, she averaged 38.8 points and once scored 81 points in a game. In Iowa, however, teams are divided into offense and defense. The lack of experience on defense was a handicap when she first arrived at Kentucky, but hard work has begun to pay off, and Jody was named Most Improved Player at the Lady Kats Awards Banquet last spring.

In the team's summer tour of Japan, Jody performed well and was usually the first substitute sent into the game for Kentucky. She will likely be used in a similar role this season.

A three-time All-State player in Iowa, Jody led Waukon to a 69-12 record while scoring 2,296 career points. Her father, Dennis, played basketball for the University of Iowa.

Coach Hall on Runge: Jody continues to improve and work hard on her game. She has a good team attitude. She is a good inside percentage shooter. I know I can depend on her at every game.

24 DONNA MARTIN

5-7, Junior
Guard
Lexington, KY

Donna, who walked on to the Lady Kats squad midway through her freshman season, was awarded an athletic scholarship following her first full season at Kentucky last spring. Her performance in the Lady Kats' last eight games was one reason the team finished so strongly. A sometimes erratic player, her increase in playing time seemed to settle Donna down, which benefited both her and the team toward the season's end. With the transfer of guard Lori Edgington following last summer, Donna will likely be the first guard substitute into the game for Kentucky this season.

After graduating from Lexington's Tates Creek High School, Donna went to Valdosta State University to play basketball. When she decided to return home, she was eagerly welcomed onto the Kentucky squad, and averaged 2.1 points and 1.2 rebounds in nine games. Last season, she played in 17 games, including all of UK's playoff contests, and increased her averages to 3.1 points and 1.5 rebounds. Her top offensive effort was an 11-point output against Florida, when she canned three-of-four from the field and five-of-eight from the line.

An exceptionally quick player, and a good ball handler and leaper, Donna earned All-State honors at Tates Creek. She averaged 14 points and six rebounds and was named team captain her senior year.

Coach Hall on Martin: Donna has worked hard since arriving at Kentucky. She has grown in patience and therefore gives better leadership on the court. She is a very aggressive player and good ball handler.

4 DIANE STEPHENS

5-9, Sophomore
Guard
Louisville, KY

The youngest guard on a team rich in talented guards limited Diane's appearances to 12 games last season. But when she did get the call, the team's lone freshman did well. An exceptional shooter, Diane was one of only four players on the team to hit 50 percent or better from the field. She also hit 75 percent of her shots from the free throw line, and averaged 3.4 points a game. The highlight of her season came at home against National College, when Diane hit all five of her field goal attempts and three-of-four from the line for a career-high 13 points.

A very hard worker, Diane suffered a setback in May and June when she underwent surgery on her foot and surgery for an intestinal hernia. But determined to come back before the team left for its tour of Japan in July, she began a recovery program that enabled her to play during the tour.

A versatile athlete, Diane also excels at softball and tennis. But basketball has been her strongest sport. At Southern High School in Louisville, Diane was All-State and All-State Tournament as she led her team to a 27-4 record and a regional championship.

Coach Hall on Stephens: Diane has worked extremely hard to improve her game. She is a great outside shooter. She has a tremendous attitude and is very easy to coach. She has really improved her confidence and therefore will improve her play. I expect she will play more this season and contribute more to the team's success.

11 LESLIE NICHOLS

6-0, Freshman
Forward
Lexington, KY

Leslie's performance in the team's summer tour of Japan was nothing less than eye-popping. In her first game as a collegiate player—starting at forward against the Japan National team—Leslie scored nine points and pulled down four rebounds. Now she was experienced. The second game, she improved her statistics. And after a third-game victory over the country's top industrial team, Nichols was named the game's Most Valuable Player for her 11-point, 8-rebound performance. By the end of the six-game series, her averages were 10.2 points and 7.7 rebounds, second only to Valerie Still in both categories.

Since returning from Japan, Leslie has worked hard on her game. A dedicated player with high goals, she is determined to help Kentucky to its best season ever. Leslie is an excellent leaper with quickness, speed and a smoothness in style similar to Still's. The young left-hander was declared a sure starter before ever donning a uniform and has done nothing to relinquish that role.

A native of Lexington and a graduate of Henry Clay High School, Leslie averaged 22 points, 16 rebounds, and was named All-State and fourth-team Parade All-American.

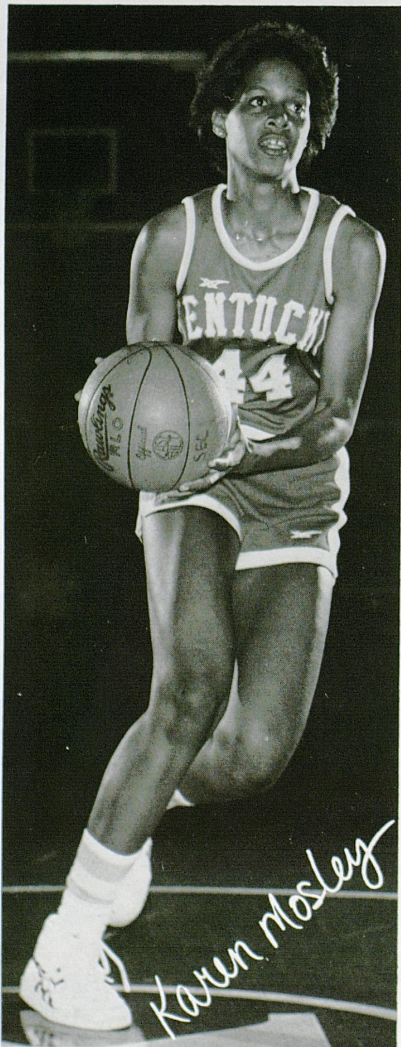

NICHOLS — Future plans—own a horse farm, be a pony girl; hobbies—horse racing tennis, being around horses; favorite vocalists—Earl Klagh, Stevie Wonder; movie—An Officer and a Gentleman; worst—Dead Men Don't Wear Plaid; TV show—Dynasty; worst—Lou Grant; food—pizza; athlete—Bjorn Borg; non-athlete—Family; thrilling moment—Going to Japan.

Coach Hall on Nichols: Leslie was a pleasant surprise for me when the team played in Japan. She played with great maturity for a freshman. She has exceptional speed, jumping ability, and quickness. Her rebounding strength will be a big help to the team this season. She is an outstanding talent and addition to our program.

44 KAREN MOSLEY

6-3, Freshman
Center
Toledo, OH

One of the best jumpers to play at Kentucky, Karen is expected to provide much-needed depth to the front line. However, she does need experience and maturity before she can be considered a potential starter. In Japan, Karen averaged three rebounds as an occasional substitute, but it was evident that she needs more strength to adequately handle the demands of a center in the physical college game. She is a hard worker and is expected to develop into a steady performer soon. Her jumping ability, speed, quickness and intelligence add up to great potential for Karen.

At Bowsher High School in Toledo, Karen averaged 25.7 points and 15.7 rebounds and was named the state's AAA Player of the Year. She hit 57 percent of her field goal attempts, 72 percent of her free throws, and was named second-team Parade All-American.

MOSLEY — Future plans—a successful career; hobbies—being with friends, amusement parks; favorite vocalists—Stevie Wonder, Earth Wind & Fire, Al Jarreau; TV stars—Daniel Travanti, John Ritter; movie—An Officer and a Gentleman; worst—Attack of the Killer Tomatoes; TV show—Hill Street Blues; worst—Baby I'm Back; food—spaghetti, lasagna; book—Grapes of Wrath; athletes—Renaldo Nehemiah, Dr. J.; non-athlete—Family; thrilling moment—traveling to Japan with the Lady Kats; favorite quote—"It is necessary to try to surpass one's self always; this occupation ought to last as long as life."

Coach Hall on Mosley: Karen has a great deal of potential, but needs college experience and maturity. She is a good jumper, is quick, and has good speed. Karen has the potential to contribute immediately this season. She works hard and takes pride in her game. She will be a fine player for us.

33 TERRI NAISER

5-9, Senior

Forward

Louisville, KY

A transfer walk-on from Hanover (Ind.) College prior to last season, Terri has worked hard to contribute to the Lady Kats team. Learning the complicated offensive system and adjusting to a new environment limited Terri's role last season, but she showed improvement in Japan over the summer. She has initiated a strength and conditioning program as her own way of improving her performance on the court.

A native of Louisville and a graduate of Assumption High School, Terri played for two seasons at Hanover. After averaging 14 points and 12 rebounds as a freshman, and 14 points and 12 rebounds as a sophomore, Terri left that school listed as its third all-time scorer. While at Hanover, she was named to the Spalding College and Hanover College all-tournament teams, and was selected to the Indiana AIAW Southern District squad.

NAISER — Future plans—have own fitness center, raise a family; hobbies—sunbathing, body building, spending time outdoors, being with friends; favorite vocalists—Bob Seger, Rick James; movie star—Robert Redford; TV star—Tom Selleck; movie—An Officer and a Gentleman; worst—Creature from Black Lake; TV shows—Dallas, Young and the Restless; worst—60 Minutes; food—french fries; book—E. T.; athlete—Rachel McLish; non-athlete—Father; thrilling moments—winning SEC championship, beating Tennessee; favorite quote—"You can if you think you can."

Coach Hall on Naiser: Terri has really worked hard on her overall conditioning this summer. She has developed better strength and has improved her confidence. This will help her be a better player this season. Terri is a good rebounder and team player.

40 LYNNETTE LEWIS

5-9, Junior

Forward

Loyall, KY

Lynnette is welcomed back to the Lady Kats squad after spending her sophomore season as a redshirt due to a knee injury. Now she is almost fully recovered and is training hard to condition herself into top form again. A totally unselfish player, Lynnette turned down scholarship offers at other schools to join the Lady Kats squad in 1980. A long-time Kentucky fan, she preferred accepting a substitute's role to starring elsewhere. As a freshman, she averaged 1.4 points and 1.6 rebounds while adding her spirit and enthusiasm to the squad. A native of Loyall, she earned All-State honorable mention honors at Cawood High School and led the Trojanettes to a 90-25 record over four seasons.

LEWIS — Future plans—teach and coach; hobbies—reading, listening to music, swimming; favorite vocalists—Barry Manilow, Kenny Rogers; movie star—Timothy Hutton; TV stars—Carol Burnett, Richard Simmons; movie—E. T.; TV show—Filthy Rich; worst—Hee Haw; food—Lobster; book—The Promise; athlete—John McEnroe; non-athlete—Mother; thrilling moment—Playing basketball for UK; favorite quote—"A quitter never wins, a winner never quits."

Coach Hall on Lewis: Lynnette has come back off that knee injury from last season and is playing with good confidence again. She is a good shooter outside, as well as from the foul line. She possesses a great desire to play this season and I know her contribution will be felt by the team.

32 SALLY LOUGHTON

6-4, Freshman
Center
Stafford, England

Sally's experience in basketball was gained in the less competitive British high school system, but her athletic abilities and intelligence should enable her to adjust to collegiate basketball in the United States. Coach Terry Hall had communicated with Sally through the mail and on the telephone but did not offer her a scholarship until she viewed a film of her in action. It will take hard work, but Sally hopes to be able to contribute to the squad immediately. She averaged 18 points a game at Wolgarston High School in Wheaton Aston, Stafford.

LOUGHTON—Future plans—teach, coach; hobbies—sailing, hiking, camping, sunbathing, swimming in the sea, any sports, a go at anything; favorite vocalists—The Fun Boy 3, B-52's, Siouxsie and the Banshees, Barbara Streisand, Beatles; movie star—Charlton Heston; movie—Life of Brian; TV Show—Fawlty Towers; food—grapes, rice pudding; book—Thornbirds; athlete—Steve Ovetz; thrilling moment—being asked to come to UK to play basketball; favorite quote—"If a job is worth doing, it's worth doing well."

Coach Hall on Loughton: Sally needs to work on her conditioning, especially her upper body strength, and gain experience with basketball in our country. She has the potential to contribute to our program, but she needs an adjustment period. Sally is a fine, dedicated young athlete who I know will work hard.

22 AUDRE ANDREW

5-6, Freshman
Guard
Bedford, KY

Audre is a welcome addition to the Lady Kats this year. Sound fundamental skills should help the young walk-on contribute to the team this season. A graduate of Trimble County High School, Audre was named All-District and honorable mention All-State in her senior season. Her team made it to the 8th Region tournament all four years Audre played there. She holds the school record for most points in a single game—42 vs. Spencer County—and most free throws—an amazing 18-for-18 vs. Oldham County. She averaged 19 points, eight rebounds and hit 75 percent of her free throws her senior season. An excellent student, Audre graduated third in her class and was a member of the Beta Club. She was also the recipient of the U. S. Army Reserve Award for Outstanding Achievement in Academics and Athletics as a senior at Trimble County.

ANDREW—Future plans—finish school and get a job; hobbies—swimming, tennis, cooking, sewing, reading, listening to music; favorite vocalists—Lynard Skynard, Alabama; movie star—Henry Fonda; TV star—Phil Donahue; movie—E. T.; worst—Quest for Fire; TV show—Hill Street Blues; worst—Professional Wrestling; food—all food; book—The Promise; non-athlete—Sandra Day O'Connor; thrilling moment—The day I found out I was a walk on for UK Lady Kats.

Coach Hall on Andrew: Audre is a pretty good passer and shooter which will help us this season. She realizes there are several people ahead of her at the guard position, but with hard work and experience, she can make a contribution to the team.

The Start of a New Season . . .

The Lady Kats' two-week tour of Japan in July marked the second consecutive summer the team traveled to the Far East to compete in exhibition games. Two summers ago Kentucky was beaten in five of seven games by an outstanding Japan National team and returned home with bruised bodies and egos.

But this summer was different as the Lady Kats won five of six games—three victories against the Japan National team. Thus, the Lady Kats returned home with greater confidence and a brighter outlook for the coming season.

Valerie Still was the leading scorer and the series' Most Valuable Player. The senior center averaged 25.8 points and 11.3 rebounds. A big surprise was the play of freshman forward Leslie Nichols, who was second to Still in both categories with averages of 10.2 points and 7.7 rebounds. Forward Lisa Collins was next in scoring at 9.7, while guards Lea Wise and Patty Jo Hedges followed at 8.3 and 8.2.

Even off the court the trip was more pleasant for the Lady Kats. The adjustment to the food, culture, language and different lifestyle was all easier the second time around. And the players and staff were once again very popular with the Japanese fans.

While in Japan, the Lady Kats visited Tokyo, Nagoya, Kobe, Hammamatsu, Funabashi and Odawara. The scores of the games were: Kentucky 76, Unitika 63; Kentucky 66, Chanson 64; Kentucky 71, Japan National B team 47; Kentucky 74, Japan A team 53; Kyodo Oil 70, Kentucky 62; and Kentucky 77, Japan A team 59.

The Lady Kats also enjoyed a four-day vacation stopover in Hawaii on the return home.

UK Coach Terry Hall believes the trip will benefit the team in many ways when the season starts. "I think the most important thing is the team unity a trip like this provides," she said. "The girls had a very good time together and experienced a lot of exciting and interesting things together. It's made them all closer, which is very good for us."

From a long, grueling flight...

...to adventures at sea...

...led to luau in Hawaii

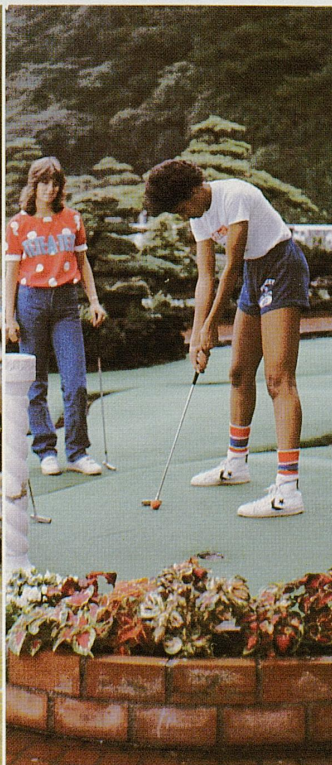

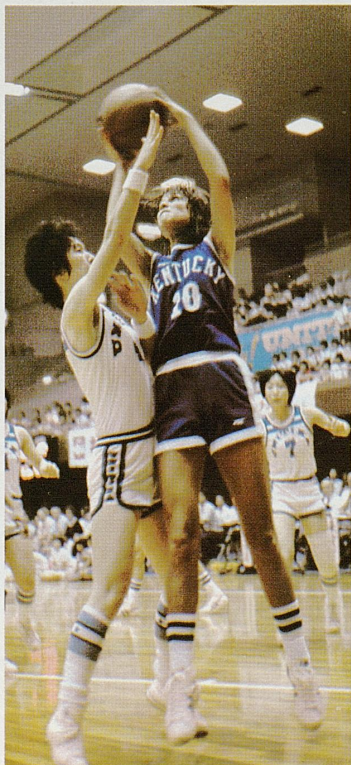

...achievements on the court...

JAPAN

Lea was marketable (above), and Val was lovable (right).

The play was hard both on the court and off (left) ...but in the end, we all joined hands.
