## STROLLER PLAY MAY 11 & 13

### 'THE THIRTEENTH CHAIR' CAST HAS SUCCESSFUL TOUR IN KY. TOWNS

Appreciative Audiences Acclaim it Best Stroller Performance Ever Given

### FEW TICKETS LEFT

Students and Faculty Look Forward to "Stroller Night"

The Strollers will present "Thirteenth Chair" at Woodland auditorium Thursday evening May 11 and Saturday evening May 13. The Junior Prom coming on Friday evening and so many of the present cast being members of the junior class, it was decided to have it on Saturday instead of Friday as this class has completed arrangements for its annual dance.

The Strollers have completed a most successful tour in several Kentucky towns, and many discriminating auditors, including theatre managers, editors and other folk witnessing the performance in these towns, were generous in their comments on the historic triumph that this representative organization of the University made in the towns. The press was very favorable in its comment on the production and the scenery which the students themselves made.

The cast and members of the executive staff who made the trips were received very warmly in Paris, Georgetown, Richmond, Middlesboro and Pineville. This reception was not extended the Strollers because they were personal friends of the promoters in the towns in which they appeared but because the citizens themselves knew what the Stroller dramatic organization represented and the material composing it. "The Admirable Crichton" was the first play ever taken to Middlesboro and Pineville by the organization and in this trip they so established themselves that an urgent invitation was extended them this year and that same hospitality that only the warm hearted folk of that section are capable of extending.

At the Kiwanis luncheon in Middlesboro, where more than 100 citizens were present, Mr. Russel Hill, president, said, "Strollers, what ever we have is yours, and if we haven't got it we will get it for you."

The production is well nigh on to professional in its makeup because the "rough spots," if there were any have been worn off after having been presented before large audiences in the towns in which they appeared. The play when it is given here Thursday and Saturday night should and will be the best production ever given by this talented organization. This is the first time that the play has been taken on tour before given two performances in Lexington.

In the review of the play given in one of the towns where "The Thirteenth Chair" appeared it was stated by one who it critically inclined and

### PROF. MIKESSELL TALKS AT TUESDAY CHAPEL

Urges Students to Boost University During High School Tournament Here Next Week

"We, as students and faculty of the University of Kentucky, shall have a wonderful opportunity to boost our school during the high school contests in essays, oratory and debating which will take place in Lexington, Thursday, Friday and Saturday of this week," said professor W. M. Mikesell in his address to sophomores in chapel Tuesday.

"Boys and girls will be here from all over the state and it will be the first time many of them have seen the University of Kentucky and the impression we make on them will probably determine, to a great extent, whether they will get a college education and whether they will choose the University of Kentucky as the place for obtaining that education. Professor Mikesell said. He urged all students to come to the contests and show these young people that we are interested in them and in what they are doing.

### IRENE M'NAMARA IS ELECTED KERNEL EDITOR

Raymond Kirk Elected Managing Editor; L. B. Hall, Business Manager

At a meeting of the staff of the Kernel held in the Journalism department Tuesday afternoon Irene McNamara was unanimously elected editor-in-chief for 1922-23. Raymond Kirk was elected managing editor without opposition, and L. B. Hall was elected business manager.

Miss McNamara is a junior in the college of Arts and Sciences and during her connection with the publication has held every position on the staff. She has the unique distinction of being the first girl to act in the capacity of editor, in the history of the University. Before her election to this office she was managing editor; is a member of Theta Sigma Phi, honorary Journalism fraternity, Su-Ky Circle, and recently elected representative on the Woman's Student Government Council.

Raymond Kirk is a junior in the College of Arts and Sciences, enrolled in the Department of Journalism. He is a member of Kappa Sigma and Keys, honorary fraternity, and has been doing reportorial work on the Kernel for two years. He has been assisting his father in his newspaper office in Paintsville during vacation.

L. B. Hall formerly advertising manager was promoted to business manager. He is a member of Alpha Delta Sigma honorary Journalism fraternity.

William Blanton and William Tate, freshmen in the college of Arts and Sciences have been appointed assistants to the business manager. They are members of Phi Delta Theta fraternity.

### EVERY STUDENT ASKED TO HELP IN MEMORIAL DRIVE

Funds to be Raised for Erection of Building in Memory of Kentucky Heroes

### S-U-K-Y IS PROMOTER

Students are Requested to Pledge \$10 Toward Building

Are you loyal? Loyal to your University, to Kentucky, to America? All three need your help and support. Be a builder, a climber, a helper.

On the campus of the University of Kentucky there is to be erected a building, a Memorial to Kentucky men who died in the great World War. The students of the University are given the privilege of sharing in the building of this memorial and are asked to give all that they can.

The Memorial Fund Drive starts on the University campus Tuesday, May 9, and continues until Thursday, May 11. During these two days every student in the University will be solicited by a member of the Su Ky Circle for a subscription. Likewise will the faculty members be asked to contribute in the building of the memorial. The price set as the minimum amount for a student is comparatively small, keeping in mind the great sacrifice made by the heroes of the war and remembering also that other Universities, the

### FOLKLORE PLAY TO BE GIVEN NEXT MONDAY

"The Prophet of the Big Smoky" to Close Little Theatre Season

The mountain folklore play "The Prophet of the Big Smoky," the last program of the Little Theatre season, will be given in the University chapel Monday, May 8. There will be a matinee at 3:30 especially for students, and a second performance at 8:15.

The entire cast of the play will be composed of mountain students. They are: Ann Riddle, Martin Porter, Lenore Patrick, Max Howard, J. L. Hays, L. C. Fielder, D. V. Sublet, Paul Bicknell, Owen Kelley, M. J. Skidmore, O. W. King, and Fletcher Walker. J. M. Patterson will have charge of building the stage and Henry Harper will manage the lighting.

Among the unique features will be the genuine old-fashioned mountain ballad singing done by a company of Berea College students who have made a special study of the subject. These ballads are older than the present day civilization and run back to the old folklore period of England. Those who have studied mountain singing claim that the Kentucky mountaineer retains the old songs of hundred and hundreds of years ago and that there is no other

### ROMANCE LANGUAGE ELECTS OFFICERS

Plans Being Formulated For Play Early Next Year

At a meeting of the Romance Language Club Monday afternoon the following officers were elected for next year: president, Mamie Miller Woods; vice president, Hallie K. Fry; secretary, Marion Parson; treasurer, George Taylor. Committees on publicity, program, decorations, and refreshments were also appointed.

It was decided that the next meeting of the club will be held Wednesday, May 17, in the Little Theatre at 3:30. A very interesting program has been arranged for this meeting, and refreshments will be served at its conclusion. All language students are invited to be present at this meeting and to become members of the organization.

Plans are being formulated for next year and the club expects to present either a French or a Spanish play early in the season.

### NATIONAL MEETING OF ALPHA XI DELTA HERE

Elaborate Plans made for Entertainment of Convention Delegates

The eleventh biennial convention of Alpha Xi Delta fraternity will be held in Lexington, June 27 to July 1, inclusive, with Xi Chapter and the Lexington Alumnae as hostesses.

Between one hundred fifty and two hundred girls from all over the United States are expected to attend the convention as delegates and visitors and special train accommodations have already been arranged for transporting them to the Bluegrass State. The guests are to be entertained at the Lafayette hotel, where also all meetings, conferences and a banquet will be held.

Plans for the convention have been definitely outlined and each girl in the college chapter, as well as many an alumna in Lexington and elsewhere, is busy doing her part to make this convention a success and to show the visitors what Kentucky really has to offer. Arrangements have been made for trips to various places of interest, among which are "Ashland," Shakerstown, Frankfort, Man 'o War and probably post-convention trips to Mammoth Cave and Berea.

At the last convention of the fraternity, the place for the next assembly was not decided, being undetermined between Chicago and Lexington, but when put to a vote during this last winter the question was finally settled, owing to the many interesting tales told about the Bluegrass State, and the desire of Alpha Xi Deltas everywhere to taste of Kentucky's southern hospitality.

Many letters have been received from other fraternities and faculty members at the University of Kentucky, assuring the local chapter of Alpha Xi Delta of their help and cooperation and it is believed that with the general interest shown by everyone, the convention will undoubtedly be a marked success.

### HIGH SCHOOL TRACK AND DEBATE TOURNEY OPENS WITH 250 CONTESTANTS

Annual Meet Opens With Preliminary Debate; Finals Tonight

### PRIZES FOR WINNERS

Lexington Editors Donate Cups in Oratorical Meet

The annual interscholastic track, field and debating tournament opened here yesterday and will continue through today and tomorrow when the finals will be held.

Two hundred and fifty high school students from all parts of the state are taking part in the contests. About 175 track and field contestants and 70 debaters have arrived. Many came on special trains.

The program for the tournament began at 1:30 o'clock Thursday when the debaters from the various parts of the state met and drew for "pairs". The finals will be held in Chapel tonight at 8 o'clock and will be open to the public. The preliminaries were given in private.

Last year Mr. Harry Giovannoli, editor of the Lexington Leader will give a silver cup to winning debating team. Mr. Desha Breckinridge, editor of the Lexington Herald, will award a

### SIGMA XI INSTALLED AT THE UNIVERSITY

Dr. H. B. Ward, National President to Conduct Installation Exercises

This afternoon will witness the installation of a chapter of Sigma Xi, the national scientific society, in the University of Kentucky. Dr. Henry B. Ward, head of the department of Zoology at the University of Illinois, who is president of the national organization, will be here to conduct the installation exercises. He will be assisted by Dr. Edward Ellery, head of the Department of Chemistry of Union College, of Schenectady, N. Y. Dr. Ellery is secretary of the national chapter.

The installation exercises will be conducted during the afternoon with a banquet at the Phoenix Hotel in the evening. The University of Kentucky is to be congratulated on securing a chapter of the fraternity, for Sigma Xi is to the scientific world what Phi Beta Kappa is to the Arts and Sciences. The installation of a chapter of this fraternity on the University campus will undoubtedly increase interest in research work, for those showing unusual ability in this line will be eligible for initiation.

Chapters of Sigma Xi are installed only in those Universities doing a high grade of research work. Members of

### A CLU BFOR KANSAS CITY?

"Since I left school at the beginning of the second semester I have been trying to keep up with events at old 'Kentucky'. I am doing engineering work in Kansas City at present. Have met two or three old state men; among them Lynn B. Evans '14, 'Skinny' Lane '13 and E. O. Porch. If you will send me a list of the Kentucky men here we will get together and complete an organization. I feel sure we could get the ball rolling without much trouble." L. R. Ringo, ex-23, Y. M. C. A., Kansas City, Mo.

### Notable Work Done By A Graduate Of The Class of '95.

"Professor Ellen A. Reynolds, Extension Specialist in Hygiene and Sanitation from the School of Home Economics at the State College of Agriculture will be in Erie County the week of April 4th. Miss Reynolds will speak on the subject of Communicable Diseases and the responsibility of the homemaker toward the same. Her schedule while in the county follows: "Professor Reynolds holds the degrees of B. S. and M. S. from the University of Kentucky and an A. M. from the University of Chicago. She has had experience as a teacher and lecturer on health subjects and in addition to this has carried on research in sanitation and social hygiene. Miss Reynolds will discuss such topics as the national and economic aspects of health, the new and old ideas of health, the relation of the community health to the home, the home as a health center, and the essentials of healthful living. Miss Reynolds advocates a careful study of the sanitary and hygienic conditions of different communities in order that they may inaugurate a health program based on their individual needs."—The Erie County Farm and Home Bureau News, Buffalo, New York.

By working for additional subscribers and by other means, alumni who have contributed to the Memorial Building Fund announce that they intend to make up for subscriptions smaller than they desired to make.

Every check to the Treasurer at Campaign Headquarters, 210 Fourth Street, Louisville, has been accompanied by a letter that shows how militant is the "Kentucky" spirit. How the alumni stand behind the University has been demonstrated clearly many times of late.

Typical of this spirit is a word from Dr. A. S. "Sandy" Mackenzie: "I wish it were in my power to contribute the entire sum necessary for the Memorial Building," which was accompanied by a check for a substantial sum.

Two hundred and ninety-three alumni have contributed \$5,700, to the Memorial fund. Thirty-eight have sent in contributions since the second drive was launched. Some of these were additions to former pledges.

Subscriptions were received early this week from: Susan Grey Akers, C. C. Anderson, Harry A. Davidson, C. W. Denham, W. H. Dix, Ruth Gregory, I. Horine, Mary Elizabeth James, J. P. LaMaster, George C. Lewis, Lulle

Logan, Wm. F. Marshall Ruth E. Matthews, Mr. and Mrs. Fred O. Mayes, James E. McClellan, Wm. D. McDougle, Oscar V. Petty, Homer Puckett, Robert J. Raible, Irma Wentzell, J. Ward Yager.

It has been announced at State Headquarters that the drive will be continued through May, if necessary, until the \$300,000 is raised. Alumni in each county have been requested to encourage the local schools and campaign committees engaged in the drive, they have given much assistance already. James C. Wilson, State Chairman, says he is pleased with the way in which the campaign is progressing, especially with the helpful attitude of the alumni.

A meeting of the Executive Committee of the Alumni Association will be held Monday evening, May 8, at the Phoenix Hotel at 7:15 o'clock. A report of the Nominating Committee for officers of the Association for 1922-23 will be received and ballots prepared for the election. Amendments to the Constitution will be considered.

Plans for the Alumni Re-Union Commencement Week will be one of the most important features of the meeting. The program last June was considered one of the most successful ever arranged for the old grads. Members of the faculty and resident alumni have declared they intend to provide even more entertainment this year.

## Between Us

Professor W. J. Grinstead, '99, of Richmond, was an interesting visitor in the Alumni Office last week. He says there is plenty of good material for an alumni club in Richmond and believes the organization will soon be doing great work. Professor Grinstead spoke of the necessity of close co-operation between the University, the Normal Schools and public schools of the State but more particularly the University and Normal Schools, and said that he knew the spirit of real friendliness is growing all the time and that there is no better leader to bring out this necessary union than President McVey who has inspired the confidence of the people who are interested in higher education.

Mr. Grinstead received his A. B. in '99 and his A. M. in 1910. He has been connected with Eastern State Normal at Richmond for several years, as Professor of Latin, and is now Head of the Department of Foreign Languages. He has the honor of being appointed a member of the summer faculty of Teachers College, Columbia University, his subject being Latin Methods. Professor Grinstead lives at 611 West Main Street, Richmond, Ky.

"On May 1, I began my new work as Instructor at the University of Wisconsin Library School, my address will be University of Wisconsin Library School, Madison. Best wishes for the University of Kentucky."—Susan G. Akers '09.

Miss Akers was librarian in the Department of Hygiene at Wellesley College for several years. At the University of North Dakota she was cataloguer in the library.

"Received The Kernel today and I was made happy. It made me feel that I owed some obligation to the University yet, and the opportunity to read its columns has induced me to inclose two dollar bills. It is neglect on my part that I have not done this sooner and I realize that I have lost a great deal by not being a member of the Association.

"There are a number of alumni from the University of Kentucky in Bowling Green and we have on several oc-

casions discussed briefly the idea of forming an alumni club here. There is no reason why we should not and I, for one, will endeavor to start such an organization"—J. Preston Cherry '20, Price Bldg., Bowling Green, Ky.

Old friends of Thomas Frederick Hudgins '09, were glad to see his smiling countenance on the campus last Saturday. They were also glad to welcome Mrs. Hudgins, who accompanied him. Mr. and Mrs. Hudgins have just returned from London, England, where Mr. Hudgins has been European Director of Engineering for his company, The National Supply Company of Tulsa, Oklahoma, since September 1921. After graduation, Mr. Hudgins was an instructor in the College of Engineering at the University of Kentucky for three years and afterwards in Purdue University, for several years. He served his country with distinction during the World War. Since his discharge he has been connected with the above named company.

A letter asking information concerning certain farming details was received last week from I. A. Brown, ex-90. His address is Miami, Oklahoma, R. F. D. No. 3.

"Slim" Ehrlich is still 'lifting Missouri out of the mud' and it keeps him moving. His address is Noel, Missouri. He is General Superintendent of the Morley Construction Company.

John Douglas Wood '20, who has been electrician with the Arizona Power Company at Prescott, has returned to Kentucky and is connected with the Forbes Manufacturing Company at Hopkinsville.

Harry Cottrell '20, is now county agent of Marshall County, headquarters at Benton, Ky. He has been assistant county agent of Washington County at Springfield.

"I think you would be interested in knowing that Howard Evans '17, (who is now living at 'Winton', the old Peter home) is making a great success at farming—although an engineering graduate.

"Mr. Cooper, who was in 'the grand old gang' in Bob Estill's class, is one of the partners in the Logan, Haggin and Cooper Ford garage at Georgetown. It is the best and most dependable in this part of the country.

"Mrs. Frank Pace (nee Eugenia Young ex-21 was a recent visitor at the University. She is now living in Larchmont, Norfolk, Va.

"I am keeping books and assisting in the management of Castleton stock farm. As a side line I am teaching some children in the neighborhood."—Katherine Herring '21.

"Pars' (R. C.) Preston '13, and I are the only Kentucky men located in this field. 'Pars' moved here from Catlettsburg, Kentucky, about two months ago to form a partnership with Judge James Dameron. The firm is known as Dameron & Preston, with the best equipped offices in the city and a large clientele.

"I have been in this city since leaving the University in 1817 and am connected with the Mack Coal Company, Tug River Ins. Agency, Looney Milling Company, Wayne Brick Company, Fairview Land Company, Matewan Light and Power Company and West Virginia Land Company. So it is not difficult to figure where my time goes. Williamson is the hub of the Thacker Coal field, just beginning development.

There are 101 coal corporations within a radius of twenty-five miles, employing from eight to ten thousand men." A. C. Preston '17, Patterson Bldg., Williamson, West Virginia.

"We have no alumni club in Baltimore but there are many University of Kentucky people here. Three alumni are medical students at Johns Hopkins Medical School, Reuben Pearman '17, a third year student, William Wilson '21, a first year student and my-

self in the second year class. Marian Sprague '20, Polly Prewitt and Nancy Anderson (ex-students are taking nurses training work at the Johns Hopkins Hospital.

"Celia Cregor '18, who has been a draughtsman for the B. & O., located at this place, left Saturday for Kentucky to be at home (Springfield) for sometime. Dr. H. L. Amoss '05 of the Medical Research Department of Rockefeller Institute, New York City, has been at Hopkins during the past winter, doing research work in Pathology and delivering lectures to the students. Dr. Curry Martin '16, who finished at Hopkins in '20, is now at Sydenham Hospital for contagious diseases and taking work at the Johns Hopkins School of Hygiene and Public Health."—Virginia Helm Milner '20.

Mr. and Mrs. Cecil H. Heavrin and now residing in Hartford, Ky., where Mr. Heavrin is engaged in the practice of law. Mr. Heavrin is a graduate of a class of '19 and until recently has been manager of the Lexington Branch of the Parker Tire and Rubber Company, which position he resigned in February to take up the practice of his profession. He is a member of Alpha Sigma Phi fraternity.

Mrs. Heavrin formerly Miss Gertrude Wallingford, of Cynthiana, is a graduate of the class of '21. She is a member of Alpha Gamma Delta fraternity. They will be glad to hear from their many friends on the campus.

"I have gotten several Kernels forwarded from my home address. I fully intended sending my two dollars last fall, but carelessly neglected it. However, I shall never miss sending my dues on time again, and enclose check now.

"My address is Queens College, Charlotte, N. C., where I am head of Mathematics Department. In our city Panhellenic, we have girls from every state but I'm the only one from University of Kentucky."—Edna Berkeley '19.

W. G. Campell '02 chief food and drug inspector under Dr. Harvey Wiley's regime, and assistant director to Dr. Alsberg, the past director of the Bureau of Chemistry, is the acting director of that Bureau in the Department of Agriculture. Trained in agriculture and law with his natural ability and personality, needless to say he is making good.

Walter S. Baugh, '19, has been in Detroit for three weeks studying the Kelvinator, an iceless refrigerator for which his company is to be agent in Kansas. He recently signed up with the Kansas Light and Power Company at Wichita, Kansas. Walter is quite interested in one of the inhabitants of Schenectady where he was connected with the General Electric company.

Russell David, engineer '19, is in charge of the radio sales of the General Electric at Schenectady, where reports have him doing very well indeed. David married Josephine Thomas of Frankfort, who graduated in 1918.

Ruby K. Diamond, '19, who was in Detroit for several months as a civil engineer in the construction of the new mammoth filtration plant, has gone back to his home in Louisville. His address is 811 Reathy Building.

James G. Roney, B. C. E. '17, Assistant Engineer. The Texas and Pacific Railway, Marshall, Texas, is in charge of engineering work in connection with maintenance on Marshall, Texargana, and Longview Sub-Divisions, The Texas & Pacific Railway, reporting to Chief Engineer. He married Miss Nancy Talbot Morris, of Lexington, March 6, 1918. They have two children, "Jimmy" and "Billy."

H. Fried, B. C. E. '17 is instrumentman, T. & P. Railway, Marshall. J. C. Morris, B. S. in C. E. '20 is roadman, T. & P. Ry., Marshall. A. J. Rankin, B. C. E. '16 is instrumentman, T. & P. Railway, Ft. Worth. F. R. Naylor, B. C. E. '11 is assistant engineer, T. & P. Ry., Dallas.

H. G. Lytle, B. C. E. '11 is assistant Engineer, T. & P. Railway, Dallas.

"A hint to the wise is sufficient." Enclosed find my check for three dollars to cover balance due on 1921-22 and dues for 1922-23." A. L. Donan '07, Supt., Providence Coal Mining Co. Providence, Ky.

"We have consolidated the Perrine Store Service Company of Minneapolis with the Standard Conveyor Company of which the writer becomes a Vice President with headquarters at North St. Paul. The Perrine Store Service Company was organized seven years ago, the chief product being Pneumatic Despatch Tube Systems.

"The combination gives us a complete line of conveying equipment and sales organization covering the entire United States. Have thought several times recently that I would try and get in touch with some of the old boys that must be in the section, and have a little get together. Best regards to any of the old crowd of '99 days who might still be around."—E. B. Perrine '09, Standard Conveyor Company, North St. Paul.

Miss Mary Atkins '95, teaching Home Economics at the Pine Mountain Settlement School, writes that she finds her work most interesting. Among other classes she has one of ten boys learning to cook, says they are ambitious to learn "hard" things like biscuit and pie, not just easy cooking, and always most anxious to know if they may eat all they cook. It seems that fundamentally, boys of the mountains and the Blue Grass are the same.

"H. E. Maddox '19, has moved to 133 Halsey Street, Brooklyn. He has been married nearly a year and is still in love. He is still with the Charles Hartmann Company.

"I have just returned from a business trip to South Gardiner, Maine—was there three weeks."—Wm. Wallace '20, Charles Hartmann Company, 985 Dean Street, Brooklyn, N. Y.

"B. W. Bennett '19, is now president of the Charles Hartmann Company 985, Dean Street, Brooklyn, N. Y. Mr. Bennett went with the American Blower Company immediately after graduating and was connected with that company until 1911. For one year he maintained an office as consulting engineer in Brooklyn, New York. In January 1921 he went with the Charles Hartmann Company as treasurer and has rapidly advanced to his present position.

"G. K. McCorkle, '08, is general supervisor of traffic for the Illinois Bell Telephone Company with offices in Chicago. Mr. McCorkle went with the Chicago Telephone Company, now the Illinois Bell, in the summer of 1908 and since that time has rapidly advanced to his present position which he has held since December 1920. He lives at 272 Poplar Street, Winnetka, Ill. He married Miss Fannie MacFarland of Lexington and they have one daughter.

"J. R. Watkins '15, is associated with the Chicago Mill and Lumber Company in their experimental laboratory where the strength and wearing qualities of boxes and shipping containers are tested. Mr. Watkins was employed by the government during the war and was assigned to the division of Aeroplane esearch, testing strength of materials of aeroplane wings, struts and beams. The work was done at the University of Wisconsin, Madison. An article on the adaptability of various kinds of wood to the purpose of container manufacture, by Mr. Watkins, appeared in a recent issue of "Barrel and Box," a paper devoted to the interests of box manufacturers. Mr. Watkins is married and resides at 5314 Winthrop Avenue, Chicago."

"Mr. McDowell Fozie '11, is Assistant Editor of the "Herald," Hartford,

Ky.

"Mr. Oscar Shultz '08 and Mr. Wilbur Rhoads '21, are teaching in the Hartford High School.

Mr. Otto C. Martin '11, is county attorney, Ohio County, at Hartford.

"Mr. McHenry Holbrook '14 is visiting his parents at Hartford. He is connected with the Inter-banking Corporation, National City Bank of New York, and has been located at Kobe, Japan.

"Mr. Cecil Heavrin '20 is junior member of the firm of Heavrin and Heavrin, at Hartford. His wife was formerly Miss Gertrude Wallingford '21.

"Mr. E. E. Allison and Miss Sally Henri Coleman '21, are teaching in the high school at Beaver Dam, Ky."—Elizabeth Davidson '20, Assistant Principal High School, Beaver Dam, Ky.

**PORTER AND HAYS WIN DEBATE HERE**

C. M. C. Porter and J. L. Hays, representing Kentucky in the debate between Kentucky and Vanderbilt on the Dillingham Immigration Law, held in the University chapel last Friday night, won unanimous victory for Kentucky. The judges were H. V. Chisney, Frankfort, Dr. W. B. Jones, Georgetown, and Otto Robert, Louisville.

The large and enthusiastic audience in attendance testified to the returning popularity of the college debate. This is the fourth contest decided in favor of the University this year.

The next and last debate of the season will be between the University of Kentucky and the University of North Carolina at Chapel Hill, N. C., on May 13. S. B. Neal and R. T. Johnson will represent the University of Kentucky.

**RESOLUTIONS**

The Department of English of the University of Kentucky wishes to express the deep sorrow felt by this department in the loss of one of its most brilliant students, Jessie Dodd, who was in the classroom an inspiration to both her fellow students and her instructors. Always alert and interested, Always responding to the best in literature as in life, always joyous in her work, she was a student whom to have in one's class was a privilege and a delight. The Department of English looked forward with interest to the work that she was yet to do and to the life that she was yet to live.

We desire to express to Mr. and Mrs. Dodd and to their family our most profound and heartfelt sympathy in this hour of their great sorrow.

FRANCES JEWELL,  
GEORGE W. WHITING  
HARVEY C. HINCKS.

The English Club mourns the loss of a loyal and talented member in the sudden death of Jessie Dodd.

Her conscientious meeting of all obligations and eager participations in the activities of the club had made her a valuable and esteemed member whose place can not be filled. As a true friend and honored student, she was an inspiration, and her premature departure from this life must only serve to immortalize the qualities that we found and loved in her. With a sincerity of purpose and generosity of spirit, she assumed a natural leadership that all acknowledged and respected.

Therefore, be it resolved by the members of the English Club that we shall extend sympathy to her bereaved family and place on the records of our organization our small testimony of her splendid life.

FRANCES MARSH, pres.  
DOROTHEA MURPHY,  
RUTH HUGHSON.

With the time of graduation so near and the joy of a task well done the rightful reward of each and every member of the Senior class of U. of Ky. a command of halt is heard and the onward march is stopped while the great sorrow caused by the death of Jessie Dodd one of the class is announced. All that was bright and happy is now clothed in gloom and the procession must go on to the end with a saddened hope. As a student she had accomplished much and as an associate made many friends. She was one of whom it might be said "her task was well done."

Therefore be it resolved that the members of the class of 1922 U. of Ky. in profound regret for the death of a classmate and friend pay her this humble tribute. And be it also resolved that these expressions be spread on the minutes of the class; published in the student publication "The Kentucky Kernel" and a copy sent to her parents.

Margaret Dean Harbison, Sec

**HONOR WHERE HONOR IS DUE**

The students and faculty were again disappointed when the Stroller play was moved up from the second date set for its appearance. Unusual difficulties have arisen this year, and the staff deserve all the more praise for the noble efforts which they have made. It must not be forgotten that such organizations as the Strollers are the evangelizing forces of the University. The present production marks the thirteenth year of dramatic activity at our University, and in many ways it excels any previous effort. When "The Thirteenth Chair" was presented to enthusiastic audiences in other Central Kentucky towns, more was done to demonstrate and advertise the University than if many speakers and news articles had mentioned us in terms of praise. Men are interested in the concrete, especially where the concrete is in the form of fine college men and women. Every year the outlying towns, and even those in the foothills of the mountains, ask for the return of the Strollers, and will not take "no" for an answer. Many of our best students have come to us as a result of acquaintances made in these trips.

Realizing as we do the value of such an organization, the students and the faculty should prepare to turn out en masse, and give the play a hearty reception. This appeal is made to the faculty as well as to the students, for the former sometimes fail to give as much support to student affairs as might be. It is to be expected that in every University are to be found students who are careless and indifferent, but it would seem that the faculty would hold in mind the best interest of the school at all times. If "The Thirteenth Chair" is to be the success it should be, and if it means to the University what it should mean, it is essential that the faculty vie with the students in giving it the strongest patronage and support. The staff has produced a wonderful play; let us show our appreciation.

**EDITORIALETES**

Henry Ford has just published an article on what he wants to do for the people of the United States. Some Ford owners think that he has done his worst already.

The papers are full of the economic conferences in Europe, but what are they compared to the sessions at home when Father goes over our expense items for the last year of school.

"Society women take up racing"—headline. And yet they tell us that

one of the essentials of managing a stable is absolute secrecy about the details of the racers.

It appears that we have several "Babe" Ruth's on the Wildcat team this year. "Dutch" Burnham knocked two balls into the left field stands at Cincinnati last Saturday, Bill King one, and Oakley Brown one.

"Dutch" is setting a fast pace for his teammates this year in the offensive. "Dutch" is hitting about 400 and hitting them hard.

Captain Clare of the track team won five events in the dual meet with Tennessee. He won the dashes, the hurdles, and the broad jump. From all appearance there are some records that may be broken before the end of the season.

The Baseball squad left Thursday night for a six game trip in the South. On the trip they play two games with Vanderbilt, two with the University of Georgia, and two with Mercer.

Next week the track squad leaves for Baton Rouge to enter the S. I. A. A. Annual Meet.

A tennis tournament will start next week at the University courts. All who desire to enter should see either Miss Blanding or Professor Diering.

**REGISTRAR COMPILES FACTS OF LAST TERM**

Bulletins Concerning Attendance And Grades Given Out; 4.4 Percent Of Classes Missed.

A bulletin just issued from the Registrar's office upon the attendance record for the first semester at the University discloses these facts:

Number of students recitations 395,351.  
Number of recitations missed 19,560.  
Percentage of recitations missed 4.4.  
The attendance record by colleges is as follows:  
Percentage of recitations missed:  
College of Arts and Sciences 5.3.  
College of Agriculture 3.4.  
College of Engineering 3.8.  
College of Law 4.8.

The Department of Physical Education showed the largest percentage of recitations missed with the Department of Chemistry in the second place.

A bulletin concerning the grades for the first semester contains the following information:

Number of grades 9070.  
Percentage of A's 15.4.  
Percentage of B's 34.7.  
Percentage of C's 32.0.  
Percentage of D's 8.7.  
Percentage of E's 6.0.  
Percentage of I's 1.9.  
Percentage of X's 1.9.

The Department of Journalism shows the highest percentage of A's, with the Department of Animal Industry and of Mechanical Engineering tying for second place. The Department of Practical Mechanics shows the highest percentage of B's, with the Department of Farm Economy ranking second. The highest percentage of C's is credited to the Department of German with the Department of Physics in the second place. The largest percentage of D's came from the Department of Chemistry with the Department of Mathematics and Astronomy ranking second.

**BASEBALL TEAM LEAVES FOR SOUTHERN INVASION**

**Wildcats to Play Vanderbilt, Mercer and Georgia on Eight Day Trip**

The Wildcats left Thursday afternoon on their eight day southern baseball trip. While away they will play two games each, with Vanderbilt University, University of Georgia, and Mercer College. They will return May 12, from Macon, Georgia where they play Mercer, Thursday in the last game of the trip.

They arrived in Nashville this morn-

ing. They will play Vanderbilt today and Saturday; Sunday morning they take the train for Athens, Georgia, where they meet the University of Georgia team Monday and Tuesday, Wednesday morning they will leave Athens and go to Macon to play Mercer College Wednesday and Thursday. They are due to arrive in Lexington Friday night.

The Wildcats were defeated last year on Stoll Field by Georgia and Vanderbilt and by Vanderbilt in Nashville. The Cats will try to get revenge for these games on the trip.

The players making the trip are Captain Bud Clomer, Stokes, Fleahman, Robertson, pitchers; Pribble and Gregg, catcher; Brown, Burnham, King, Underwood and Pergren, infielders; Sauer, Jones, Beam, and Tinsley or Boren, outfielders, Coach Park and Manager Graham.

**"Shattered Star" Presented as Little Theatre Play**

"The Shattered Star" by Mary McMillan was presented by Professor W. H. Mikesell's class in dramatic production yesterday afternoon at Thursday matinee tea. The cast was composed of Catherine Hendricks, student director, Billie Dalton, Mary Barnard, Orena McMahan, Marian Porter, Katherine McIntyre, Marie Sumner and T. T. Mumford.

who has an aversion to amateur productions, that the greatest possible injustice had been done to this splendid dramatic organization in calling it an "amateur performance" because all through the play there are marks of professional acting, creditable to any professional actor.

"The Thirteenth Chair" is a gripping dramatic mystery play, with literary appeal certain to please University folk and those appreciative of the highest form of dramatic acting. The present cast has stood the right test of keen competition offered them in the tryouts by hundreds of eager applicants for a part in this production, and for this reason it is the most well balanced cast of any previous production.

The tickets purchased for the performance which was to have been given April 20 and 21 may be used without exchanging. Tickets are now on sale at the Lexington Drug Store and the University book store on the campus.

Those who have not purchased tickets should do so immediately as the sale of tickets is reported to be very large.

Various fraternities and members of the faculty are planning to have theatre parties. This is known as "Stroller Night" and University folk are looking forward to it as the "one night in their college year."

**EVERY STUDENT ASKED TO HELP**

(Continued from page 1)

University of Illinois for example, received \$100 notes signed by every student in the institution for the erection of just such a building as Kentucky is to have. The amount requested of the University of Kentucky men and women is only \$10. It can be paid in quarterly payments beginning in September and thus pledging only \$2.50 a month for four months. The University faculty has agreed to give \$30 apiece toward the fund.

Each and every student registered in the University will be solicited and asked to contribute. Be ready to give, be ready to pledge and during the summer, earn the money which it will take. Some member of the Su-Ky circle will come to you. Be ready to help build a memorial to those who gave all they had to give.

There will be many slogans for the drive and after you are pledged and have subscribed all that you can you will be pinned with a ribbon of true blue for Kentucky.

**FOLKLORE PLAY TO BE GIVEN**

(Continued from page 1)

section of the country in which this is the case.

Lexington people and University students will be much interested in hearing them. The girls from Berea will be entertained at Patterson Hall from Sunday afternoon until Tuesday morning and the boys at the different residences men.

Another attractive feature of entertainment is the staging of the old-fashioned square dance that is so common to the mountain but new to other parts of the country.

"The Prophet of the Big Smoky" is a demonstration by Professor Mikesell based on a C. W. Craddock's book. The play will be given in mountain dialect.

This is the first attempt of the University to present a true folklore play. It is in keeping with the real purpose of the Little Theatre movement in America—education through the medium of the drama.

The afternoon program is given especially for students and the night program for faculty and friends of the University, although all interested are welcome at either performance. The prices are thirty-five cents for students and sixty cents for others in the afternoon; and fifty cents for students and seventy-five cents for others at night.

cup to the best orator in Kentucky high schools this year. Mr. Breckinridge will present the cup to the winner in the Thursday night exercises and Mr. Giovannoli will award his to the winner in the Friday night exercises.

The track and field events will start today at 3:30 o'clock on Stoll Field. The finals will be held tomorrow. The annual banquet of the High School Interscholastic League will be held in the Armory tonight at 5:30 o'clock.

The winners of the second essay contest conducted by the University will be announced after the exercises in chapel tonight. Of the several thousand essays submitted from high schools all over the state, three were selected from each school and were sent to the University to be judged. The subjects of the essays were: (1) Why I Wish To Go To College; (2) John Fox Jr.; (3) Why Kentucky Stands Forty-fifth Educationally. Professor L. L. Dantzer has charge of the papers.

Gold silver, and bronze medals will be given to the track winners in each event and gold medals to the winners in the relay race. A silver loving cup will be given the individual who scores the most points in the meet. A loving cup will be given the winning team, to remain in the possession of that team one year and to remain the permanent property of the team winning it three times.

Entertainment for the visiting teams is provided for by the Athletic Association and the Su-Ky circle. A banquet in honor of the visitors will be given tonight in the Armory at 6:00 p. m.

Seats for the operas are now on sale at the Lexington College of Music, telephone 639-X. Special prices of \$2.75 is offered to students and teachers for the matinee when tickets are bought in blocks of 20 or more.

**DUEL TRACK MEET WITH VOLUNTEERS WON BY CATS**

**Duel Track Meet With Volunteers Won By Cats.**

University of Kentucky Wildcat track squad defeated the University of Tennessee team 80-51 in a dual meet at Knoxville last Saturday.

The track was the slowest the Cats have run on in the last three years. Part of the field was under water as a result of the recent rains the past three days. The times for the various track events were very good considering the condition of the track. Clare, the Wildcat captain, was the outstanding star of the meet, taking a total of five firsts, the dashes, hurdles, and broad jump.

Bob Porter contributed two firsts in the mile and two mile. Wilhelm won the quarter and the high jump. Tennessee's outstanding men were the discus throwers, Morris and Kefaewer, and Waddington the pole vaulter. Kentucky loafed in the relay and lost the race.

Next Saturday the University of Cincinnati squad will engage in a dual meet with the Wildcats on Stoll Field. 100-yard dash—Clare, Kentucky; Nantz, Kentucky; Dumas, Tennessee. Time—:10 3-5.

Pole Vault—Waddington, Tennessee; Fonde, Tennessee; Wolf, Kentucky. Height, 10 feet, 6 inches. Shot Put—Davidson, Kentucky; Kefaewer, Tennessee. Distance, 35 feet, 5 inches.

220-yad dash—Clare, Kentucky; Nantz, Kentucky; Davis, Tennessee. Time—:23 4-5.

High Jump—Wilhelm, Kentucky; Snyder, Kentucky; McAnulty, Tennessee. Height, 5 feet, 5 inches.

120-yard High Hurdles—Clare, Kentucky; Kay, Tennessee; Dewhurst, Kentucky. Time—:17 1-5.

Javelin—Hollowell, Kentucky; Fonde, Tennessee; Cummings, Tennessee. Distance, 155 feet, 9 inches.

440-yard dash—Wilhelm, Kentucky; Snyder, Kentucky; Bell, Tennessee. Time—:55 1-5.

Half Mile—Davis, Tennessee; Boyd, Kentucky; Ogden, Kentucky. Time—2:08 4-5.

Two Mile—Porter, Kentucky; Hartman, Tennessee; Brown, Kentucky. Time—10:41 2-5.

220 Low Hurdles—Clare, Kentucky; Kay, Tennessee; Dewhurst, Kentucky. Time—:27 3-5.

Discus—Morris, Tennessee; Kefaewer; Tennessee; Davidson, Kentucky. Distance, 114 feet, 7 inches.

Broad Jump—Clare, Kentucky; Snyder, Kentucky; McAnulty, Tennessee. Distance, 21 feet, 4 inches.

Relay—Won by Tennessee team composed of Kay, Dumas, Bell and Davis. Time—3:47 2-5.

**RIFLE TEAM DEFEATS TENNESSEE 450-445**

The Wildcat Rifle Team defeated the Tennessee Volunteers on Friday April 28, a score of 450-445. The match was fired in the respective armories of the two Universities from the prone position. The range was fifty feet and the regular N. R. A. (National Rifle Association) target was used. Under the conditions of the match ten men were to fire and the five highest scores were to count. Ten shots and 2 righting shots were fired by each man.

The ten men who fired and the scores of the five highest are as follows: Johnson, V. D., 96; Baumgartner, G. W., 91; Howard, M. L., 90; Thompson, F. A. C., 87; Phillips, J. W., 86; Heath, F. M., Carter, F. H., Wilkins, J. E., Gregg, E. R., Weingartner, J. H., G. W. Baumgartner, Manager.

**TWO TRACK EVENTS TO BE HERE TOMORROW**

**Interscholastic Meet Between Kentucky Schools on Stoll Field**

Two big track events are scheduled to take place on Stoll Field next Saturday. The finals for the interscholastic meet and the dual meet between the University of Kentucky and the University of Cincinnati. In the afternoon beginning at 1:00 the fun will begin. At that time all the field events will have been finished and the finals in the interscholastic running events and the dual meet between the Wildcats and Bearcats will take place.

Last Saturday Coach Buchheit took his squad to Knoxville where it was able to defeat the University of Tennessee to a 80 to 51 score. Captain Clare was the mainstay of the Wildcats' scoring machine and promises to again duplicate his prowess in the coming meet. Porter the Ace of the Wildcats' distance men won the mile and the two mile runs and can be counted on to pile up a few more scores for the wearers of the Blue and White. Wilhelm also won two first places winning the high jump and the 440 yard dash. Jimmy expects to run up a few more scores against the Cincinnati men. Coach Buchheit has been working his men steadily all week in preparation for Saturday's meet. The men are all in good condition and expect to duplicate the victory of two years ago, the meet of last year having been called off on account of rain.

The Cincinnati team, however, lead by Captain Johnny Petzhold is determined to give the Wildcat speed merchants some stiff opposition. Petzhold is a distance man and will in all probability compete against Porter. Last week the University of Cincinnati team was able to defeat the Central Y. M. C. A. of Cincinnati 66 to 59, the results of next Saturday's meet will tell whether this was a true test of its ability.

**TEAMS CANVAS CAMPUS FOR MEMORIAL DRIVE**

**All Students Asked to Contribute: Wilson Optimistic Over Movement's Success**

The amount so far reported pledged and collected for the memorial fund is \$180,000.00. This excludes that amount which is expected to be collected throughout the State by the high schools and other organizations which are working for this drive. The total is expected to be between \$250,000 and \$300,000.

Subscriptions amounting to \$6,000 have come from alumni so far. James C. Wilson, of Louisville, is very optimistic over the results of the campaign to date. High schools of the State are making unusual efforts because of the fact that a \$50 scholarship has been offered in each county to the high school student who raises the highest amount in his or her county. In addition to these, five \$100 scholarships are to be awarded to the State at large.

This week teams will canvass the campus among both students and faculty. Charles Mahoney, in charge of these teams, says that he expects every student to subscribe at least \$10 to the cause. This can be paid in four quarterly instalments, the last to be paid in May, 1923.

Otis Jones, junior in the College of Arts and Sciences, Sam Ridgway, junior engineer, and Flenor Heath, junior in the College of Arts and Sciences have announced their candidacy for president of the Men's Student Council in the election which is being held today.

Ballot boxes are distributed in the different buildings and all men students are eligible to vote. The different classes in the University are entitled to representatives, and they will be selected next week.

**DISPENSARY DOPE**

The Boston Transcript remarks: "Odd that a man should go in pursuit of his health when he is already run down."

Men, for all their ego, dress less sensibly than women. Witness the high collar, the long trousers, the binding suspender, the dangling necktie, and the "incubator" coat in summer.

The principles of hygiene are not difficult to follow: their appeal lies in common sense; the practice of them pays higher dividends than any other type of investment.

"Health" states Sir Frederick Treves a noted English surgeon, "is the essential factor in productiveness and hence in the advancement of civilization."

Have you been vaccinated against

smallpox and typhoid? If not, you are displaying an indifference toward yourself rather peculiar to people of an Ego Race.

A Governor of a State commented once as follows: "No state can thrive while its citizens waste their resources of health, bodily energy, time and brain-power; any more than a nation can prosper that wastes its natural resources."

DR. LIPSCOMB,  
 Resident Physician.

**Doctor Tuthill Talks on Ideals and Possibilities of Club**

Sixteen students interested in History and Current Events held a meeting April 21, and perfected an organization for the current year. The following were elected as officers: Henry Taylor, President; Mable Ruth Coates, secretary. An impromptu program on the expediency of sending relief to numerous foreign nations, was followed by a short talk by Doctor Tuthill on the ideals and possibilities of the club. Afterwards refreshments were served.

The next meeting will be held Friday, May 5, at 3:30 to complete plans for the organization and to make plans for commemorating the one hundred thirtieth anniversary of Kentucky's admission into the Union.

**SUMMER WORK FOR STUDENTS**

PLEASANT WORK—BIG PAY—EXTRA AWARDS

What are you going to do this Summer, Men? Will you take a job that will tie you down, keep you in-doors the whole Summer long, pay you \$15 or \$25 a week, and leave you feeling like the very old dickens when College opens next Fall?

Or have you in mind landing something that will keep you out of doors, enable you to travel, pay you \$50 each week for expenses, give you a good sum of money to defray next year's expenses, and at the end of the Summer leave you with the feeling that you have had a real vacation?

Every student desiring employment for this Summer will do well to look into the opportunities which we are in a position to offer. A letter of inquiry will bring you full details.

### In Selecting a University---

For a college education, there are five things to be taken into consideration:

1. The men at the head of the Institution.
2. The Scholastic standing and ability of the Teaching Staff.
3. The location and advantages of environment.
4. Equipment, buildings, laboratories and libraries.
5. Cost.

In all these respects the University of Kentucky Commends itself to those seeking a higher institution in which to carry out their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.

WILDCATS SCORE AN 8-2 VICTORY OVER GEORGETOWN TIGERS

Kentucky Brings Up Zero Count in Seventh Inning

ROBERTSON PITCHER Teamwork of Tigers is Poor at Times

The Wildcat ball nine came through with its fourth successive victory of the season by defeating the Georgetown Tigers, last Friday afternoon on Stoll Field.

Bailey did the chucking for Georgetown, and had the 'Cats at his mercy until he succumbed to the old seventh inning jinx, and allowed Kentucky to score seven runs in this frame.

Georgetown sent the first tally of the game across in the third inning. Berry was safe at first when King threw wild, taking second on Funk's sacrifice, and registering on Bailey's single to right.

The Tigers again scored in the fourth, when Beckley singled to left, stole third while King was retiring Pollock, and scored when King mused up Berry's grounder.

The Wildcats came back in their half on a single by Burnham who advanced to second when Trunnel let the ball get through; Pribble next up, sent a slashing single to right scoring Burnham.

Neither team scored again until the seventh. In this frame the Wildcats started their stick work; Brown was safe on Daniel's wild heave to first and continued to the keystone corner.

Pribble walked and King beat out a bunt filling the bases. Beam came through with a bingle to right, which with the assistance of three Georgetown errors, sent three runs across the plate.

Tinsley, next up was hit by a pitched ball. Underwood drew four bad ones filling the bases for the second time in this inning. Beam registered on Sauer's infield out.

Burnham sent two more runs across when he singled for his third hit of the day. Brown singled scoring Burnham and Pribble fled to Beckley.

Robertson turned in a creditable game and was tight in the pinches, only yielding nine hits and these were scattered. Pribble played his usual good game behind the plate, and the infield worked well.

With the exception of the seventh, Bailey pitched a good game, but the support of his team mates was very ragged at times.

Beckley. Sacrifice hits—Funk, Robertson. Bases on balls—off Bailey, 2; off Robertson, 1. Struck out, by Bailey, 4; by Robertson, 1. Left on bases, Georgetown, 10. Kentucky, 4. Wild Pitch, Robertson. Hit by Pitcher, by Bailey (Tinsley); by Robertson, (Martin). Time 1:55. Umpire, Wright.

CINCINNATI DEFEATS WILDCATS IN WALKFEST

Twenty-Seven Players Receive Passes to First Base in Ragged Contest.

The crowd journeyed out to Stoll Field Tuesday afternoon to see a ball game. Instead, they witnessed a repetition of last Saturday's slapstick contest at Cincinnati.

The University of Cincinnati Bearcats administered a trimming to the "fighting" Wildcats, to the tune of 14-12.

Cincinnati started right and scored three runs on three walks, a triple, single and an error by Robertson, before Coach Park removed "Bobbie."

Captain Bud went in with the noblest of intentions but before the inning had ended three more runs and crossed the plate.

The Wildcats got two of these runs back in the same inning, when Roth, Cincinnati hurler, walked Underwood and Sauer, the first two men up, and Brown tripled scoring two markers.

The Bearcats increased their lead to ten runs in the next frame on four hits and two walks. The game went on with each side scoring in nearly every inning.

Five pitchers in all were used in the contest, Kentucky using two and Cincinnati three. All the hurlers were wild, twenty seven passes issued, and five men hit by pitched balls.

Probably a new record was made in the second inning when Roth hit three batters in succession.

The score: CINCINNATI ABRHPOAE Sharps 3b, 4 2 1 2 1 0 Brown If, 5 2 2 3 1 0 Irwin, cf, 4 3 2 3 1 0 Reinhardt c, 4 1 0 11 0 0 Lothi, rf, 6 1 1 1 0 0 Pichel 2b, 3 2 0 2 1 0 Hynes, ss, 6 2 2 0 2 1 Glasgow 1b, 4 1 3 5 1 0 Roth, p, 1 0 0 0 0 1 Gabriel, p, 0 0 0 0 0 0 Linneman, p, 2 0 0 0 1 0

Summary: Two Base hits—Lothi, Three base hits—O. Brown (Ky.), Brown (Cin.). Sacrifice hits, Burnham. Stolen bases, Irwin, Pichel, King, Beam. Bases on balls, off Robertson 3, off Slomer 8, off Roth 4, off Gabriel 6, off Linneman 6. Struck out, by Slomer, 7, by Roth 2, by Gabriel 2, by Linneman 3. Wild pitch Linneman. Winning Pitcher, Roth. Losing pitcher, Robertson.

triple, and two doubles. The hitting of Underwood, Burnham, and Tinsley, was of excellent caliber. Underwood made five hits out of six trips to the plate, "Dutch" collected two homers and one double out of five attempts, and Tinsley got a double and a single in three tries.

Cincinnati scored first when Reinhardt slammed one of Stokes fast ones into the left field stands making the circuit.

Kentucky Scored three runs on a triple by Stokes, a single by Underwood, and a home run by Burnham. After the third the game became very slow on account of very sloppy fielding on both sides coupled with heavy hitting.

The short left field suited the Cats very much for they slammed four balls into the left field stands; Burnham getting two homers, King one, and Brown one.

The Score: CINCINNATI ABRHPOAE Sharpe, 3b, 5 2 1 3 4 1 Brown, rf, 3 1 1 1 0 0 Coot, ss, 5 3 1 3 0 0 Reinhardt, c, 5 3 3 6 0 1 Houston, If, 1 0 0 1 0 1 Lothus, If, 4 1 2 1 0 0 Pichel, 2b, 4 2 1 1 2 0 Irwin, cf, 3 2 1 3 0 0 Glasgow 1b, 3 2 0 7 0 1 Linneman, p, 4 1 2 1 0 0 Roth, p, 1 1 1 0 1 0

TRACK TEAM IN DUAL MEET WITH CINCINNATI

Cinder Squad Fresh From Its Victory Over Tennessee Expects to Repeat.

Tomorrow afternoon the Wildcat track squad will engage in a dual meet with the University of Cincinnati Bearcats on Stoll Field. The finals of the interscholastic meet will be a preliminary to the Varsity Meet.

Last year the meet between Kentucky and Cincinnati was called off on account of rain. The preceding year Kentucky succeeded in defeating the Bearcat speed merchants and are determined to come out on the long end of the score again.

The Wildcats, fresh from their victory over the University of Tennessee at Knoxville last Saturday are in excellent condition and should the weather be favorable expect to shatter local track records.

Captain Clare, who starred against the Volunteers last week, will be entered in the dashes, hurdles and the broad jump. Wilhelm, Snider, Porter, and Boyd can be depended upon to run up the points in the half, quarter, mile, two mile and high jump.

The relay team has not been definitely selected as yet but it is expected that Nantz, Boyd, Snyder and Wilhelm will compose it.

CAMPUS CHATTER

Dr. Bulgin, evangelist, in charge of the six weeks meeting at the Tabernacle, will bring a special message to students in Chapel fifth hour Tuesday, May 9.

Dr. P. K. Holmes will deliver the commencement address to the graduating class of the Benton high school May 24.

Ilma Thorpe '22 and Louise McKeek '22 will take the competitive examination offered by the New York School of Social Service. This examination which is difficult is open to students all over the country.

Out on Stoll Field the other day an ambitious young artist at the shot put decided to put the shot toward a group of fellows who had their backs to him and just missed "Ironing" the writer to a quiet sleep.

Next week promises to be a busy week in athletics for the University. Tuesday the Wildcat nine will cross bats with Cincinnati Bearcats. Next Friday the Kentucky baseball team will play Vanderbilt at Nashville, the first game scheduled on the southern trip.

The Interscholastic Track Meet which will be held is scheduled to begin next Friday and will continue throughout Saturday. The dual track meet between the University of Kentucky and the University of Cincinnati is also scheduled to be held here next Saturday.

Professor J. R. Johnson of the Engineering faculty of the University has been appointed a colonel on the staff of Governor Edwin P. Morrow according to an announcement made at the mansion at Frankfort.

Colonel Johnson was the first graduate of the Engineering college of the University, having received his degree in 1893. Since that time he has been a civil engineer and a member of the engineering college faculty.

Colonel Johnson is a democrat and has never been active in politics. He is the only member of the University faculty upon whom this honor has been conferred.

A Southern Agriculturist Writer has conferred an honor upon Joe Lovett a former student of the journalism department who is now editor of the Benton-Tribune-Democrat, Marshall county.

This writer says that every week in looking over armloads of county newspapers he is unable in some instances to form any opinion of the county in which the individual paper is published, the kind of people who read it, or what it is trying to accomplish, while some other papers are an index in themselves of what is going on in the county, they are individual and solve the particular problems of their county; set forth the ideals and aspirations of the community they serve.

The influence of such a paper is inestimable," he says. Then after describing this ideal newspaper he adds that he is inclined to think that Marshall county has in the Benton-Tribune-Democrat such a paper and that, though he does not know the editor, he feels that he is a man who has a real interest in his neighbors and is not afraid to say what he thinks.

There will be two presentations of "Quo Vadis" in Dicker Hall, Mechanical building; one Friday, April 28, 8:15 p. m. and another Saturday, April 29 at 10:00 a. m. These entertainments are given under the auspices of the Classical Association and are free to students and the public.

AN OPPORTUNITY We can use a limited number of college men on a live wire sales proposition for next summer, unlimited possibilities, guaranteed earnings of \$525.00 for 75 days. TODAY, Friday, May 5, University Y. M. C. A. F. F. GRUNER.
