*Johns Lane*  
I would like to be in  
Minnie's and Ellen's  
house going down to  
the gymnasium I think  
it would be so much  
fun.  
Cousin Sallie came  
home last week  
Sister's letter came  
just in time she  
got it the day  
she came.  
I am going to try  
to write across the  
lines some time but  
I don't think you  
can make out what

Dear Aunt Lily I received  
the paper and the letter  
to day.  
Mamma said she was  
going to send me some  
money but it makes  
no difference if she don't  
send it.  
I like the paper  
very much I like the  
letter than the others.  
The ink and pens here

is so bad I can not  
write fit for any thing  
as you and Grandma  
going shopping to New  
York?

John and Miss Scott and  
Myself went fishing  
this morning and I  
got out, but it was  
a perch so that  
was not a ~~thoughtful~~  
for any one.

Cousin Lucy  
and Mr. O'Neill went  
fishing last evening  
and got 10 Cousin  
Lucy got 8 and Mr. O'Neill  
258

I have not been able  
to weigh for the last  
would not hold so  
much.

it is like  
the wagon they  
and myself went to  
to the cars in to  
go to Scrabble.  
just about as much  
bumping.

I am making Laura  
a pink cousin to give  
her when I come  
home.

I would like to  
have Sallie and  
Maggie sing so much.
