My Dear Gibson-

Your wire received. Many thanks.  
We were glad to know

that you were improving  
& hope you will take  
good care of yourself.

With regard to the  
Lucas suits. Both  
suits were brown but  
it is not necessary.

Suits because Jimmie  
showed them to me.  
Was out to the lake  
yesterday & the carpenter  
work is nearly finished  
Dels is going to make  
a hot bed so we can  
get an early start  
with the garden.

The snow was about  
a foot deep, but is  
going fast. All send  
lots of love affectionately  
your dad.

for you to take either  
& if you would prefer  
a blue suit you can  
probably get it at  
Browning Knigs or  
some other reliable  
house. I thought  
the spring overcoat  
would be to your  
liking more than  
anything else.

My Dear Gibson -  
I saw Howard ("Billy")  
Fields Sunday + he asked for you. He  
expected to go to South America but  
they disbanded the party just as he  
was on the eve of departure. He  
had sent his trunk on to Chicago.

Have not seen Alfred lately but  
saw John Humbricks father today

complaint to offer regarding Princeton  
+ that was that he was obliged  
to work too hard. Yours mother

Enclosed you will find report of your  
 term stand. It is needless to say that it  
 is disappointing to me as well as it will be to  
 you. I received a very nice letter from  
 Mr. Stearns + he seems satisfied that you  
 have worked hard but that the schedule is  
 a little too hard for you. He wrote that  
 for the coming term he would rearrange  
 your schedule somewhat + hopes to bring  
 about a readjustment that will enable

**SCHOLARSHIP**

Scholarship is marked on the scale of 100. From 90 to 100 is indicated by the grade A; 80 to 89 by B; 70 to 79 by C; 60 to 69 by D; and below 60 by E. When a student is unable to maintain a grade of 60 per cent in his studies his connection with the class becomes probational only, and he may be reclassified at any time, at the discretion of the faculty. Courses are in the student's class unless a different class is indicated.

Faithfulness and effort may be indicated in three grades by figures, 1, 2, 3, of which 1 represents the high grade.

**ATTENDANCE**

Absence marks are incurred for all *unexcused* absences from required appointments; i. e. church, chapel, recitations, gymnasium, and school study hour. Demerit marks are given (a) for failure to report in advance lack of preparation on the lesson assigned; (b) for inattention or disorder, which necessitates dismissal from the class room; (c) for reports of house disorder, at the discretion of the faculty; (d) for special offenses designated by faculty vote. Warnings are sent, whenever possible, to parents and guardians of students who have on record five marks on either list. A record of eight such marks occasions suspension or dismissal from the school. At the end of a term three marks are cancelled from each student's *absence* list.
