Dear Sir

Your favour of the
24 Inst covering check for \$33¹⁵ (Thirty three
dollar fifteen cts) to hand this morning -

Enclosed find bill for 5 Barrels More
Kewanee Salt which will go out in the
morning. The enclosed you pamphlet Outcote's
Roofing which seems much more popular than
the Corrugated. I do suppose is better - Corrugated
is fastened on with nails or screws which in
time more rust around the nail or screw &
then causes it to leak. But both are the
same price 13 cts per lb which makes about
10¢ per square of 100 square feet -

Respectfully Yours
