Faculty lunch at Carnahan House:

At the all day faculty meeting on August 26, there will be two options for lunch. People can either brown bag it or sign up for the catered lunch for a cost of \$3.15. If you are interested in having the catered lunch, please sign up/pay Pat Lloyd by Friday, August 19 as it is necessary for us to give the caterer a final count several days in advance. The menu is:

Asparagus spears wrapped with Man, Mornay Sauce
Cheese souffle, hostess peas, corn muffin;
Fruit bavarian; beverages.

IBM Typewriter Elements:

Two IBM Selectric typewriter elements are missing from the Reference Department. Both have Letter-Gothic, 12-space type faces. They are needed urgently to revise old handouts and to type a new freshman English instructional unit. If anyone has them or knows where they are, please call Patricia Renfro at 71631 or Charles Timberlake at 32759.

Anyone for Purdue?

Are there any librarians who would welcome the chance to visit the Purdue University Libraries, and observe the operations and collections of their counterparts? Rhoda Channing would like to visit their Business in the Fall and hopes other librarians at UK will consider going, sharing expenses and driving. Call Rhoda if interested.

Administration Service Note:

The Instructional Services number is 3-2759, please correct on the earlier Green Bean sheet of new numbers.

New Library Guidebook:

Copies of the 1977-78 Guidebook to the UK Libraries are now available at the King Library Circulation and Reference Desks. Copies of the Guidebook will be sent to branch libraries within a few days. If any branch librarians need additional copies, they may request them from Instructional Services (3-2759) or the Reference Department (7-1631, 7-1632). N.B. - The diagrams on page 14 of the Guidebook are reversed.
