Dear cousin:- I expect you are thinking mean of me for not answering your letter sooner but if you will pardon me this time I promise to do better. My school work keeps me busy, and we have had so many tests and examinations. We do not have so much work on Mondays and Tuesdays as other days on account of going to Chapel on Monday and on Tuesday we are off on Geography. I thought I would write tonight for a brew. I wouldn't get it done if I didn't.

I drew or painted rather a landscape for our lesson tomorrow. You know it is fine. Stella said they used the same geography at Rushville as they do here and it was so hard they changed it. I have gotten through on it so far but it is hard.

I go down to the coffin place nearly every evening after school. It is going to be a nice ~~house~~ place I think we can move in about three weeks.

We took a drive this evening and got so cold before we got back that we had all the bundles on we could find.

Dear Friend

I received your letter in due time, and should have answered sooner, but some how I always procrastinate when it comes to writing letters, "although I like to them."

I was glad to hear that you got home safe and was so fortunate to meet your Father at Rushville. I received my share on Monday evening. I am sure you was perfectly welcome to it.

As soon as I heard it was in the Express Office. Mr. Farber and I went up for it thinking there would ^{be} a note in it, for we were very anxious to hear how you got home, but we were disappointed, until we got your

letter. Dorothea Havells Mother was
here the day I got it she said that
Dorothea had been looking for one from
you ever since you went home.

Mr. Laker and Sister Lib have gone to
the Country to spend the day. Hat has
gone down to ~~see Dorothea White~~ and
of the students have gone out to a
Sabbath-School in the Country so you
see Mother and I are alone.

I must tell you the sick lady that
lives next door from us is able to ride
out they just passed here. She rode
out one day last week too. She has
joined the Methodist Church and spoken
to Mr. Harris to preach her funeral.
I guess the Old Priest will let her
alone now. Eva I wish you had been
here last Thursday night. Fisher, Brown
and Posher treated us on lemonade and
we spent a very pleasant evening together.
They have not done anything at the

Western yet. Mr. Laker went down
and photographed the ruins the other day.
I have never been down to see it yet.
I hope you will excuse writing with
pencil for my pen had the same fault
yours had although I think your letter
was written very nicely. I should like
to hear from you soon and I guess that
I am not the only one. I Mother sends
her love to you. From your Friend,
Dorothea White.
