Father Louis
Trappist
Kentucky

Dear Father Louis,

For once, we have the titles you wanted. If you don't have enough of Ionesco, let me know - we also have most of his plays in English translation.

We are most interested in the book on peace - when will it be available and from which publisher?

Victor is so-so. By now you have his note?

Sincerely,

(Mrs.) Carolyn R. Hammer
Head, Acquisitions Dept.
