Dear Victor:

I just got your note. I will be expecting you Saturday unless it snows cats and dogs. But let us expect nice weather for a change. You are an hour ahead of us, so I expect you will be getting here ten or ten thirty in the morning. I will remain in the novitiate and the brothers will ring me up when you reach the gatehouse.

It seems a very long time since you were here last. I shall look forward to the visit very much, and I am sure we can accomplish much, in the way of work, and considering the chapel project etc. But more than that I shall be very glad to see and talk with you both again.

God bless you, then. With very best wishes

Faithfully yours in Christ
