## SEED INSPECTION IN KENTUCKY, 1952-53

The twenty first year of operation of the Kentucky Seed Law began May 1, 1952 and closed April 30, 1953. During this time 657 official samples were taken from a total of 7,883 lots of seed inspected.

Enforcement officials have passed upon all violations and irregularities and helped to solve many of the problems of farmers and seedsmen.

### EXPLANATION OF TABLES

The following tables show the results of analysis of official samples. Table 1 shows the percentages of purity and germination stated on the tags and the percentages found, a statement of excessive amount of noxious weed seeds when present, irregularities in tags, and absence of tags. The variations allowed in purity, germination, and weed seed per ounce are described on page 22. U. S. D. A. Service and Regulatory Announcements, No. 156, Rules and Regulations Under The Federal Seed Act, Reissued July, 1950: paragraphs 201.59, 201.60, 201.61. Results within the allowed variations are marked with "+" if above, or "-" if below statement on the official tag.

Variations greater than those allowed constitute violations of the Kentucky Seed Law, and such results are underscored. In the table, "L" means listed on the tag and "F" means found in our test. The long line means "not listed".

Table 2 shows violations found in samples classified according to wholesale dealers from whom they were purchased.

Table 3 contains a summary to show the kind and number of violations detected.

Totals	657	7	3	29	37

During the first twenty years of operation of the Kentucky Seed Law, 1933-1952, 10,414 Official Samples were taken and 1836 violations were found. This represents 17.6%.

Violations for the first ten years -----20.5%  
 " " " second" " -----16.0%  
 " last year 1952-3 ----- 5.6%

The trend toward a better grade of seed is clearly shown by these figures.

An effective educational program has been continued. One hundred twenty-two meetings were held with an approximate attendance of 4,122. Fourteen radio and television talks were given.
