UK FACTS '95-96

UNIVERSITY OF KENTUCKY

History

The University of Kentucky was founded in 1865 as a land-grant institution. Policy for the operation of the University is set by a 20-member Board of Trustees, which includes alumni, faculty and student representation. Charles T. Wethington Jr. is UK's 10th president.

The Campus

UK's 673-acre campus is located just south of downtown Lexington in the heart of the beautiful Kentucky Bluegrass region.

UK Educates 38% of All Students Going To College in Kentucky

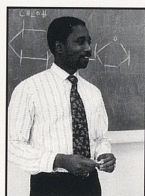

Enrollment at UK in Lexington is more than 24,000. Another 44,000 students at the 14 community colleges in Kentucky mean that UK is now educating 38 percent of all students going to public and private colleges and universities in the state.

Graduate School Enrollment Reaches Record High

There are 5,200 students, enrolled in the University's 95 master's programs and 59 doctoral programs.

16 Academic Colleges

There are 16 academic colleges and a graduate school in Lexington. They are: Arts and Sciences, Agriculture, Engineering, Business and Economics, Education, Human Environmental Sciences, Communications and Information Studies, Social Work, Architecture, Fine Arts, Law, Medicine, Dentistry, Nursing, Allied Health Professions and Pharmacy. More than 100 majors are offered.

Model of new William T. Young Library

Students Best Ever

The average ACT score for incoming freshmen is 24.8, four points above the national average. There are 77 National Merit Scholars in the freshman class, 121 Kentucky Governor's Scholars and 112 high school valedictorians.

Faculty Attract Extramural Funding

Testimony to the growing national reputation of the faculty is that they generated almost \$117 million in grants, contracts and gifts (1994-95) in a highly competitive national arena. There are now 1,720 full-time faculty in Lexington and another 1,125 in the community colleges.

UK Is A Research University

The University is designated a Research University of the First Class by the Carnegie Foundation, one of only 59 public universities in the nation and the only one in Kentucky.

New Commonwealth Library: #1 Construction Priority

Construction is under way on the new, \$58 million William T. Young Library. Completion is expected in the summer of 1997. Alumni, employees, students and friends contributed more than \$21 million to help build the new library. The UK library system has more than 2 million volumes.

Medical Center Ranks High

The College of Medicine is ranked third in the nation by *U.S. News & World Report* for its primary care program.

The College of Pharmacy was named by *U.S. News & World Report* as the third best pharmacy program nationally.

The UK Hospital is one of the Top 100 acute care centers in the U.S., in rankings done by the Health Care Investment Analysts, Inc.
