

Harrodsley June 12.

Dear Dr. Bedinger

I am sorry I
did not see you at Richmond.
I heard, while on the train that
you had reached town.

From the Observer of today
I see that you have left my
name off the programme for
next week, and ~~although~~ I
have an address prepared
on the subject you assigned
me, and understand why you
substituted another name,
still the case as it now
stands affords me the oppor-
tunity of suggesting that you
see Mr. Halbermann and ask
him to send a reporter to the
with directions to make full
reports of the Convention

in the Journal, you agreeing
to take a certain number of
the papers for distribution in
all our churches.

I would see that Tom Con-
verse is on hand also.

I am your devoted

the Com. Harrodsbury, but only
Esquirements here on such that I
cannot well leave home this week.
What has the Ancherage church
done. Will your resignation be
accepted? If so, I am asked by
a friend to suggest as your
successor Keller of Bardston
you know him therefore know
what is best to be done with this
suggestion, better, perhaps, than I
could suggest. Do, therefore, as it
seems best to you.

Dear Dr. Bedinger,

Mrs Hunter is still sick with malarial fever and I cannot leave home.

I had planned to be with you all today and tomorrow, but my plan must give way to this providence.

If I can get away tomorrow, I will be on hand in time to read my paper on "The Evangelistic power of Brady's mission" at your afternoon session. If not and I should send it, you could have it read or make what disposition of it you may wish. I am very sorry I cannot be with you today.

Dear Mr. Bedinger.

Your favor of
2^d inst is just at hand.

Major McClellan asked for a
synopsis of the paper to which you
refer, but I told him I had no time
then to prepare ^{it}, and gave him the
MS to do with it as he thought best.

He wrote me a few days since
that he had written to the Nuff
Convenee to return it to me, as they
had made no use of it. I may hear
from them in a few days and then
I will write you. I know the Con-
vention did good, thanks to your
wise suggestion, I will see what
can be done now with regard to
our apportionment. We are interested

but our demand for the Parson-
age are greater than first proposed,
and we have subscribed liberally,
congregationally, to C. University,
but we will do our part for the
Evangelistic work, though a little
slow for this year.

Yours truly

Louisville, Apr 23rd 1889

Dear Dr. Bedinger.

I came down specially to attend the Com meeting, on yr call for 12³⁰ today. I wanted 40 min. but no one came. Shelly said he thought the hour was post-poned till 2³⁰ but as there was doubt and I was called to another part of town I did not think it well to wait on any uncertainty. I left a note in case a meeting was held.

Misses of New Providence the night consent to go to Pineville for 6 months or a year. He will be a good man for the field.

I found at home that Ma, after seeing Carrie on her recent visit here and after what the Dr. said, is urgent that I should take Carrie home for a week. Carrie, I understand, does not want to go till end of the term. but Ma is insistent. Will you confer with Miss Price and see just how Carrie is now. and with Prof Morrison and see if she could not go on with her class next year.

if she would be called home soon. To
remain here next fall. I regret this
notice, but my Mother seems to
press this upon me, as the best for
Carrie. So wish me cordially.
Or I will see you at Board meeting
in sex at 12 no Thursday next at
Dr Bartlett's Church.

If you can write me before that
at Hamodbury I will be obliged
to you. Please say to Carrie that
I sent to her by Adams by today
a small gift.

I wish to have your excuse
present.

I am your very truly
J. V. Hunter

Dear Dr. Bedinger:

I came to the Church
at the hour named in your card, and
waited for the other members of the
Com. for 40 min. Of course I do not
know any thing more of your plans.
Mr. Henry Miller P. O. McAfee, the pastor
of New Providence Church will leave this
field I understand in May. Perhaps he might
take charge of the Pineville field, for
6 months or a year ahead, as he has no
church in view as I understand.
He would suit the work there very
well, I think, as he is energetic,
devoted and has been very success-
ful in his present field. If the
Com. will arrange for Mr. Miller
to go to Pineville it might be
necessary to correspond with
him at once.

I leave this note in care of Dr
Hemphill, as it may be that a change
has been made in the time for the
Comm. to meet.

Mr Miller has been receiving about
\$850, from the New Providence church
and I am informed

Yours very truly

Dear Dr. Bedinger. I have rec^d
notice of the meeting on next
Monday, and I will attend if I
am well enough. I have had quite
severe relapse of the grip since
I was at Lawrenceburg, when I
took cold being exposed to a rain
after preaching. Hope you are
well. Y^r v^l friend J. G. Hunter

Dear Dr. Bedinger

Your postal calling
Every one to meet here Monday
was sent yesterday. Mr. Hunter is
about from home now and my
little children would not be expected
to remain here with a stranger, as their
guardian, for some part of the day.

I will be compelled, therefore, to ask you to
excuse me. I waited for the telegram
on last Monday, held myself ready to accept.
You know I am interested in the work
