Dear Brother:

Your letter of March 29th with enclosures is at hand. I laid the matter referred to therein before the Session. It was thought best to postpone the collection until about the last of May. But we will send you a part of our apportionment before that time, so that you can use it in paying the Evangelists their salaries. When I came here in December several of the collections had not been taken. In order to overtake these it was necessary to have collections for a time at very short intervals. This explains the failure to take the collection at the usual date in December. Our church will pay its apportionment in full.

Yours in the gospel,

W. H. Heel

Dear Brother Redifer:

I enclose
a check for \$25.00 for Synodi-
cal Evangelization. It is a con-
tribution from the Ladies Aid
Society of our church, but
is to be credited to the
apportionment account of
the church. I want to raise
the remainder of the assess-
ment next Sunday if possi-
ble. Please send me a

statement of our account,
so that I may know what
the balance is. Let us
have this statement be-
fore Sunday if you can.

Fraternally yours,
