OUR LADY OF GETHSEMANI

TRAPPIST, KENTUCKY

July 2. 68 ?

Dear Victor.

As soon as I went to the book this morning  
it fell right open it — our old favorite, the  
two elders who could not quarrel over the bible.  
Exant duo senes ... Don't that amaze you?

So your letter is quickly answered. I am  
sending this special delivery as you request.  
And here are 3 more call-steps for books — no  
knowing I am still busy with the ones I have.  
all blessings to you better — more later.

Faithfully in Christ
