I am sure Father Louis would have gone through the proper channels to obtain permission to see me.

Dear Cliff -

The 24th is a feast day & I regret that feasts are not too convenient for us - if you are coming down later in the summer I would be able to see you then, so would it be all right to put it off until your retreat? New Directions is going ahead with the selected poems. We can talk of this later. God bless you -
